Long Time Leaving Roy Blount (Jr.), 2007 Sample Text *Long Time Leaving* Roy Blount, Jr., 2009-01-01 In this acerbic eminently quotable book humorist Roy Blount Jr focuses on his own dueling loyalties across the great American divide Scholarly raunchy biting and affable Blount takes on topics ranging from chicken fingers and yellow dog Democrats to Elvis s toes while sharing some experiences of his own chatting with Ray Charles meeting an Okefenokee alligator imagining Faulkner s tennis game and being swept up sort of in the filming of Nashville His yarns analyses and flights of fancy transcend all standard shades of Red Blue and in between Blount s sidesplitting irreverent musings may not end our tacit Civil War at long last but they do clarify or aptly complicate divisive delusions on both sides of the long standing national rift *Long Time Leaving* is a comic ode to American variety and a droll assault on complacency both North and South from one of the most definitive and esteemed humorists of our time **The 50 Funniest American Writers** Andy Borowitz, 2011-10-13

Atkins-Sayre, 2016-11-02 Southerners love to talk food quickly revealing likes and dislikes regional preferences and their own delicious stories Because the topic often crosses lines of race class gender and region food supplies a common fuel to launch discussion *Consuming Identity* sifts through the self definitions allegiances and bonds made possible and strengthened through the theme of southern foodways The book focuses on the role food plays in building identities accounting for the messages food sends about who we are how we see ourselves and how we see others While many volumes examine southern food this one is the first to focus on food s rhetorical qualities and the effect that it can have on culture The volume examines

southern food stories that speak to the identity of the region explain how food helps to build identities and explore how it enables cultural exchange Food acts rhetorically with what we choose to eat and serve sending distinct messages It also serves a vital identity building function factoring heavily into our memories narratives and understanding of who we are Finally because food and the tales surrounding it are so important to southerners the rhetoric of food offers a significant and meaningful way to open up dialogue in the region By sharing and celebrating both foodways and the food itself southerners are able to revel in shared histories and traditions In this way individuals find a common language despite the divisions of race and class that continue to plague the South The rich subject of southern fare serves up a significant starting point for understanding the powerful rhetorical potential of all food

that in turn is shaped by official political culture and the authors it sanctions or by those authors and artists who exist outside state policies and cultural politics Gonz lez approaches this issue by way of two twentieth century writers who are central to the canon of gay homoerotic expression and sensibility in Cuban culture Jos Lezama Lima 1910 1976 and Reinaldo Arenas 1943 1990 Drawing on the plots and characters in their works Gonz lez develops both a story line and a moral tale revolving around the Christian belief in the fall from grace and the possibility of redemption that bring the writers into a unique and revealing interaction with one another The work of Lezama Lima and Arenas is compared with that of fellow Cuban author Virgilio Pi era 1912 1979 and in a wider context with the non Cuban writers John Milton Nathaniel Hawthorne William Faulkner John Ruskin and James Joyce to show how their themes get replicated in Gonz lez s selected Cuban fiction Also woven into this interaction are two contemporary films *The Devil s Backbone* 2004 and *Pan s Labyrinth* 2007 whose moral and political themes enhance the ethical values and conflicts of the literary texts Referring to this eclectic gathering of texts Gonz lez charts a cultural course in which Cuba moves beyond the Caribbean and into a latitude uncharted by common words beyond the tyranny of place **The New York Times Index** ,2007 *Vanity Fair* ,2016 [Dress & Vanity Fair](#) ,2008-03
