

The background of the book cover is a detailed space-filling molecular model. It features a central chain of green spheres (likely carbon) connected by bonds, with various white spheres (likely hydrogen) and smaller light blue spheres (likely oxygen) attached. The model is set against a white background with two large, semi-transparent teal rectangular blocks. One block is at the top, containing the authors' names, and the other is at the bottom, containing the edition information and a disclaimer.
