Me A Missionary 101 Questions And Objections To The Global Missions:

Me, a Missionary? James Horsburgh, Ninel Lazar, 2015-02 Me a missionary This is a very good question for every true Christian to ask In fact I think there is no true Christian who is not passionately interested in proclaiming the Gospel in Jerusalem in all Judea in Samaria and to the uttermost parts of the world But when it comes to practice we hear too often questions and objections such as Charity begins at home We cannot afford to send men and money out of the country or But we are not ALL called to be missionaries or Oh Evangelizing the Nations is the missionaries business It does not concern me or I am not educated enough to be a missionary I have not been to Seminary In this book Ninel Lazar an evangelist serving in Romania Europe provides you with an upgraded annotated and carefully revised version of a 100 year old book by missionary James Heywood Horsburgh and gives biblical and common sense sometimes humorous answers to 101 commonly asked questions and objections to the global missions In addition Ninel has put together some of the statistical data on today s Christianity in the world thereby compiling a list of the countries and regions of the world where the Gospel is most needed And you would be shocked to see the results of his research as his conclusions often go against what is commonly known among Evangelicals today Don t miss his foreword where he puts the call for evangelism and missions in the biblical context of the new birth in 2Cor 5 and investigates the root causes for neglecting this call Me, a Missionary? Yves Congar's Vision of the Church in a World of Unbelief Gabriel Flynn,2017-03-02 Yves Congar 1904 1995 was one of the chief architects of a remarkable renewal in Roman Catholic ecclesiology in the twentieth century His vision for ecclesial renewal led to a profound transformation of the Roman Catholic Church its relationship with other churches and the world This book considers the contribution made by Congar to that transformation Situating Congar s ecclesiology in the context of his whole theology the book presents for the first time a comprehensive study of two related aspects of Congar s thought unbelief and the notion of total ecclesiology Dr Flynn shows how unbelief provides the common inspiration for Congar s thought on the Church and constitutes the *raison d tre* for his entire programme of ecclesial reform at the Second Vatican Council This study demonstrates how Congar s total ecclesiology contributes to the restoration of unity and helps to redress unbelief Congar s vision for the future and his programme for ecclesial renewal centering on a church committed both to the preservation of its heritage and an openness to true reform is shown to be still pertinent to the churches in the third millennium a point accented by Pierre Marie Gy OP in his Preface to the work
