Comparison Girl Shannon Popkin, 2020-05-19 Women compare constantly on social media in their neighborhood at church even in the school drop off lane They glance sideways and ask themselves How do I measure up All this assessment feels like a natural way of finding a place in the world But it pulls them into feelings of inferiority or superiority guiding them into a trap of antagonism by the enemy Satan would like women to strive to measure up constantly adding to a tally sheet that can't ever be balanced The way of Jesus is completely upside down from that philosophy Instead he says the last shall be first and the greatest are those who empty themselves lay down their lives and serve each other Through conversations Jesus had and parables he shared Shannon Popkin has created a seven week Bible study to address this tendency to compare and judge ourselves and others Each chapter is divided into lessons allowing women on a time budget to read a Bible passage engage in a complete train of thought related to the topic and then make the content personal all in one sitting And the informal teaching tone will make women feel like they're meeting with a trusted friend Suited for both individual and group study *Comparison Girl* will guide women to leave their measure up ways behind connect with those around them and break free from the shackles of comparison
