

The background of the cover is a photograph of a nuclear power plant. Two large, white, hyperboloid cooling towers are the central focus, with steam or smoke rising from their tops. The plant is situated in a green, hilly area. In the top left corner, there is a smaller, stylized image of a cooling tower with red lights. The top right corner features a red banner with the text 'Fifth Edition'. The title 'POWER PLANT ENGINEERING' is written in large, bold, yellow letters with a black outline across the middle. Below the title, the author's name 'Er. R.K. Rajput' is on a red banner. A small logo with the letter 'P' is in the bottom left. At the very bottom, there is a small line of text: 'Scanned with CamScanner'.
