ADR Homework 2: Prepare a proper opening statement by mediator for mediation process.

**OPENING STATEMENT OF A MEDIATOR:**

Mediator : Good morning, welcome to Malaysian Mediation Centre (MMC). Please come in and have a seat. Welcome to your mediation session. Allow me to introduce myself, my name is Lisa Lau, please call me Lisa. I am a certified mediator for 10 years of experiences and training. The agenda today is I would like to assist both of you in resolving disputes such as what have been discussed earlier. Thank you for coming and committing yourself to be here today, that both of you have the intentions to settle the disputes. Now, I hope that everyone could silence your electronic devices during this mediation. What are your names and how would you like me to address you.

Lorna : Call me Lorna.

Lucas : Call me Lucas.

Mediator : Please review the Agreement to Mediate and other appropriate paperwork I have given you and if it is okay with both of you, please sign on the paper. The Agreement to Mediate provide most, if not all, of what I will be sharing with you in this, my opening statement. Also, you have agreed the fee will be paid immediately at the end of this mediation session or, if multiple sessions, at the end of each session. Also, are capable of, and can you make a decision(s) regarding the resolution of this matter, if you deem it appropriate? In other words, can you make a decision without talking with anyone not here?

Lorna : Yes, I can decide on my own.

Lucas : Yes, I can decide on my own.

Mediator: Please tell me what you think I need to know to bring

Good morning/afternoon, my name is Carmen, your Mediator for today. Welcome to your mediation session. Bear in mind that this is not a court, we are here to resolve the issues between the two of you and reach an agreement. I can see that both parties have a lawyer present, therefore I will have to remind the parties that only the lawyer can talk during the mediation, the parties may speak when asked to do so. I am here to provide you with assistance within the negotiation process as I have no prior relationship with any of you and I am impartial to the outcome of your dispute. There will be ground rules in the process: Firstly, no one talks over each other, when one party speaks, the other party listens; secondly, both parties must respect the process and my role as a mediator. Other details should have been discussed in your signed Agreement to Mediate that the lawyers showed you. Also, this process is completely voluntary, you may withdraw at any stage of the process if you wish. This mediation will be confidential as all the documents that will have been received and all the discussion we will have during the process are protected by the law and the public will have no access to them. Please ensure that each party has signed a confidentiality agreement; if not, you may do so now. I am sure both parties have some understandings about this mediation. I am going to walk you through the key steps of the process and let you know what will happen in this mediation:

1. Each party will have some time to present their opening statement and explain to the other party about what they want and why they want it.

### **Mediator Opening Statement Sample Introduction**

In today's digital age, the availability of Mediator Opening Statement Sample books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mediator Opening Statement Sample books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mediator Opening Statement Sample books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mediator Opening Statement Sample versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mediator Opening Statement Sample books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mediator Opening Statement Sample books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mediator Opening Statement Sample books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mediator Opening Statement Sample books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mediator Opening Statement Sample books and manuals for download and embark on your journey of knowledge?
