Summers, Forrest Grant, Florence Grant, Maggie Joyce, 2022-04-06 Gwendoline Summers has a special style of writing to women about some of the unique options available to them She knows what it is like to baby her husband Her first book is a guide to other women seeking to take their partner in hand and make them the baby they both need him to be This is not an enforced babying guide but rather one to help women who already KNOW that their partners need the security of diapers a pacifier and a babyish lifestyle to achieve that goal The second book covers the subject in a more extensive way about making your partner into a Sissy Baby a baby girl And the third book brings up an interesting question is potty training a thing of the past and is it time to reject it both for your partner and yourself This book is not just for women with AB partners but for ALL women whether their partners are AB or not She takes it step by step on how to slowly get your partner into diapers and other baby items If your partner is AB then you are already partway there but if they are non AB this book is still for you It is a guidebook along a journey of letting our men express the infancy inside that is so often just beneath the surface **Basic training program, part two** U.S. Nuclear Regulatory Commission.
