From Good to Great: Why Some Organizations Leap Ahead While Others Don't Gabriel Torres, 2025-08-19 The 1 Question Every Leader Asks: Can a Good Company Become a Great Company? This Book Is the Definitive Answer. For years we've been fascinated by companies that are born great. But what about the vast majority of companies that start out merely good? Can they make the leap to achieve enduring exceptional results? And if so how? In what is now considered one of the most significant business studies of all time Jim Collins and his research team spent five years analyzing more than 1,400 companies to uncover the secrets of this transformation. 2 They identified a select group of elite organizations that made the leap to greatness and sustained those results for at least fifteen years. 3 What they discovered will surprise you. The answers fly in the face of modern business culture and conventional wisdom. In the timeless classic From Good to Great Collins reveals the universal and often counterintuitive principles that separate the merely good

from the truly great 4 This is not a book of opinions theories or fads It is a rigorous evidence based framework built on exhaustive data a replicable blueprint for building an organization that achieves breakthrough performance 5 Inside this business masterpiece you will discover Level 5 Leadership Uncover the surprising truth that the best leaders are not larger than life celebrity CEOs but humble quiet and fiercely determined individuals who put their company s success above their own ego 6 First Who Then What Learn why the great companies focused on getting the right people on the bus before they figured out where to drive it a principle that challenges the very foundation of traditional strategy 7 The Hedgehog Concept Master the simple powerful framework for finding the intersection of what you are deeply passionate about what you can be the best in the world at and what drives your economic engine 8 This is the key to strategic clarity The Flywheel and the Doom Loop Understand why breakthrough results never happen in one dramatic moment but through the relentless cumulative effect of pushing a giant heavy flywheel turn by turn building unstoppable momentum 9 Why Is This Book Still a Must Read for Every Leader in 2025 Because the principles of greatness are timeless 10 While technology and markets change the fundamental disciplines required to build something that lasts do not This book is an essential tool for CEOs and Executives who are not satisfied with good enough and are committed to building an exceptional organization Managers and Team Leaders who want to apply proven principles to drive their teams to new heights Entrepreneurs and Founders who want to build a company with the DNA of greatness from the very beginning Any ambitious leader who wants to understand the difference between fleeting success and enduring excellence Reading this book will fundamentally change the way you think about leadership strategy and what it truly takes to build a great organization It will give you the clarity and the framework to begin your own transformation This is not just another business book It is an essential piece of the modern leader s education Scroll up and click the Buy Now button to discover the timeless principles that define greatness **A**
