Hannula, 2015-04-28 Radiant records the triumph of the gospel as Christian women faced kings and governors soldiers and wild beasts Japanese guards and Muslim raiders fire exile Nazis cannibals riots and more Look to heaven and forsake the world has been their cry for two thousand years and in Christ these women became invincible From South America to Europe from China to Africa to the Wild West in prisons and in throne rooms the Christian heroines of Radiant have left a stunning legacy These short and moving biographies for young people introduce fifty often unfamiliar champions of the faith women like Ida Kahn who opened the first hospital in a Chinese city of 300 000 people Lady Anne Hamilton who rode with the Covenanter cavalry at the decisive Battle of Berwick and Anngrace Taban who was forced to type secret battle plans for the Sudan People's Liberation Army Cyprus, 1999 **Empty Shield** Giacomo Donis, 2021-05-20 A people's history and the horror of war Howard Zinn meets Apocalypse Now Political autobiography March 1972 about to graduate from NYU A journey two days and nights in the New York subway Love it or leave it A decision become a Great Academic Marxist blow up the Williamsburg Bridge go into exile Vietnam Veterans with placards for and against the war Seven placard men at the seven gates of Thebes brandishing their shields A decision Political or personal Or pure Zen Mind or no mind Kill for peace Dylan Hendrix or the Fugs The two Suzukis or Dogen Monk and Coltrane The relation between Hegel's logic of thinking as such and his logic of practice which does not exist The screech of the subway stops A fork where three roads cross the realm of shadows what is to be done A Chinese menu Stab it Stab it with your fork But what I myself decide is not the point The point is the question of what a decision is and what making a decision means The answer is never stop asking Ask yourself Ask FDR JFK LBJ McNamara and his band John Kerry or a Vietnam War veteran of your choice Ask Nixon Kissinger Trump Ask Trump Ye great decision makers have you ever asked yourselves what a decision is and what making a decision means That is the question The Empty Shield asks it Repeatedly repetitiously abysally and possibly once and for all *Ancient Greece. The Roman Empire. Byzantium. Ottoman Empire* Arthur Mee, 1908 **The Oxford Illustrated History of the Reformation** Peter Marshall, 2015-01-22 The Reformation was a seismic event in history whose consequences are still working themselves out in Europe and across the world The protests against the marketing of indulgences staged by the German monk Martin Luther in 1517 belonged to a long standing pattern of calls for internal reform and renewal in the Christian Church But they rapidly took a radical and unexpected turn engulfing first Germany and then Europe as a whole in furious arguments about how God's will was to be saved However these debates did not remain confined to a narrow sphere of theology They came to reshape politics and international relations social cultural and artistic developments relations between the sexes and the patterns and performances of everyday life They were also the stimulus

for Christianity's transformation into a truly global religion as agents of the Roman Catholic Church sought to compensate for losses in Europe with new conversions in Asia and the Americas. Covering both Protestant and Catholic reform movements in Europe and across the wider world, this beautifully illustrated volume tells the story of the Reformation from its immediate explosive beginnings through to its profound longer term consequences and legacy for the modern world. The story is not one of an inevitable triumph of liberty over oppression, enlightenment over ignorance. Rather, it tells how a multitude of rival groups and individuals, with or without the support of political power, strove after visions of reform. And how, in spite of themselves, they laid the foundations for the plural and conflicted world we now inhabit. *A Modern Symposium*, 1879
