How to write a perfect PEEL paragraph

Question: Did the German people resent the Treaty of Versailles?

Just state the **factor / reason** that you are discussing in that paragraph and **link to the question**.

Point: "The German people resented the Treaty of Versailles was because of **army restrictions**".

Evidence: Evidence must be **precise** (e.g., names, dates, places, people, events, statistics, definitions) and **relevant** (e.g., multiple facts per paragraph).

Explanation: Reduced to **100,000 men**, only **6 battleships** were allowed. **Conscription** was **banned**. The army had no **high command**. **Submarines** were not allowed and the **Rhineland**, an area close to the **French border**, was **demilitarized**.

Link: Explanation must offer a developed **explanation** of **why** the point answers the question. **Resentment** amongst the German people **because** army restrictions left the country in an **inferior** position in terms of defense. The small army size **made it** impossible to secure the border. The **inferior** position **people** felt made an attack more likely. Restrictions at sea **meant that** the superior navies of the **other powers** could easily overpower them, and the lack of a high command **meant that** the small army could not **defend** effectively.

Conclusion: **Summarize** the explanation and **link back to the question**.

Answer: The German people **resented** the army restrictions of the **Treaty of Versailles** because it **made the country** **inferior** and **left the country vulnerable to attack** against a range of enemies.

The judgment should be based on the **evidence**. The **judgment** should be **clear**, just state **your agreement or disagreement** with the **statement** in the question.

This is a **debate question**. Your answer must include **evidence** from both sides of the argument. **2 x PEEL for & 1 x PEEL against**. **Conclusion** statement in the **conclusion**.

Your conclusion must be a **clear** **good reason why** your **judgment** is **convincing**.
