How to Write a Truly Great Novel Lindsay Grier Arthur, 2018-08-29 So you'd like to write a novel or memoir that actually sells. Look no further. Teacher author Lindsay Arthur provides insight and drills to help you rise to the occasion. A most enjoyable read and astute study. John Stag Hanson author of *Indian Winter* The *Ja vel* Trilogy Screenplays *Alt Route* Bernadette An Irish Ballad *Budapest Holidays* *Indian Winter* *Ja vel* The *Majors* *Minor Paluka* *Redeemer* *Revis* and *Claude Shazam* *Sweet and Gage* *The Things* *Tom and Heather* Lindsay Arthur has written a guidebook that should be on every writer's desk. The outstanding content with clear and relevant examples guides the writer on the road to completing a great novel. Lindsay Arthur's desk book is one of the best and most helpful writing books I have ever read. Kathryn M Holmes author of *I Stand with Courage* *One Woman's Journey to Conquer Paralysis* *Reflections* a memoir and *Watershed Moments* How To Write Anything: The Format Of What You Write May Change But The Process Of Writing Anything Remains The Same Paul Lima, 2020-07-06 *How To Write Anything* The Format Of What You Write May Change But The Process Of Writing Anything Remains The Same. This book is called *How To Write Anything* and I confess there is some ego involved in the title. But then I've been a professional writer for over 40 years. As one of Canada's most successful writers and authors I have written hard news articles, soft news, and feature articles, advertising and promotional copy, media releases, reports, and proposals, case studies, research papers, email messages, website content, tweets, blog posts, and other online content. I have also written over 20 books on business, promotional, and online writing, and other topics such as writing articles, memoir, writing and living with Multiple Sclerosis, a disease that I have but one that has not prevented me from writing or training. I've also written a collection of short stories, poetry, and a couple of plays. So while I haven't written everything I've written many things. The fact is that you can't read this book and go forth and write anything if you are not familiar with the format or structure of the document that you want to write, be it non-fiction or fiction. For instance, if you want to write a report, you do so using the methods in this book. However, you have to know how to structure reports. The same is applicable to email, social media content, articles, promotional content, case studies, reports, white papers, PowerPoint presentations, speeches, website content, short stories, or novels. So some of you reading this book might still have some learning to do. However, I suspect most of you know the structure of the documents you want to produce and you will be able to immediately apply the methods outlined in the book to writing any document that you need to write. *Murray, How to Write a Thesis 5e* Rowena Murray, 2025-01-27 I have been drawing upon Rowena's work and this book specifically for many years now, both in my own thesis writing as well as with the students I now support.
