**Congratulations —** You have selected a fine four-cycle, single cylinder, air-cooled engine. Kohler designs long life strength, and on-the-job durability into each engine...making a Kohler engine dependable...dependability you can count on. Here are some reasons why:

- Kohler engines are easy to service. All routine service areas (like the points, condenser, air cleaner, spark plug, and carburetor) are easily and quickly accessible.
- Parts subject to the most wear and tear (like the cylinders, crankshaft, and camshaft) are made from precision formulated cast iron. Because the cast iron cylinders can be re-bored, these engines can last even longer.
- Every Kohler engine is backed by a worldwide network of over 10,000 distributors and dealers. Service support is just a phone call away. Call 1-800-544-2444 (U.S. & Canada) for Sales & Service assistance.

To keep your engine in top operating condition, follow the maintenance procedures in this manual.
