Hosting a Library Mystery Elizabeth M. Karle, 2009-04-13 Hosting a Library Mystery contains five example mystery scripts each targeted to a different audience but all original expertly created and thoroughly researched. These scripts serve as an excellent starting point for you to acquaint users with a wide variety of your library services. *School Library Storytime* Brenda S. Copeland, Patricia A. Messner, 2013-04-23 This book is an invaluable resource for school library aides who conduct storytime activities providing everything from instruction on how to read to children to a week by week read aloud curriculum for the entire school year. *School Library Storytime Just the Basics* is the perfect resource for library aides, paraprofessionals or other library staff who conduct storytime in a school library media center. It provides all of the essential information, materials, and step by step guidance needed to facilitate these all important events for children in kindergarten through second grade, allowing library staff without previous training or experience to get started with confidence. The fifth title in the highly regarded Just the Basics series, this book starts with an introduction followed by explanations of how to read aloud and tips for managing and working with children in the primary grades. The authors suggest specific picture books that tie into school year based themes and supply materials that can be used as listed or easily modified to meet the individual library's needs. Event specific lessons are supplied for many weeks within the school year, making this title one that educators will rely on for storytime ideas from September through May.
