The Eucharistic Liturgy Jameson K. Pallikunnil, 2017-03-20 The Malankara Mar Thoma Syrian Church exists as a hybrid church by blending the Eastern liturgical elements of the Oriental Orthodox Church and the evangelical ideas of the Protestant Reformation of the sixteenth century This Church is a bridging church connecting Protestantism and Oriental Orthodoxy The reformation in the Malankara Church 1836 instigated a new impetus for this church in constructing an ecclesial identity and pattern of mission A major missiological imperative employed by CMS missionaries in India was solely centered on the scripture Against this popular understanding the Mar Thoma Church through its reformation process showed that liturgy can also be an imperative for mission The translation and revision of the

Eucharistic liturgy is the basic visible expression of reformation in the Malankara Church Hence this book explicitly places how the Eucharistic liturgy of the Mar Thoma Church is observed as the foundation for mission in its course of growth In order to accomplish this objective the writer has examined the historical evolution and the developmental process of the Eucharistic liturgy of the church which is a revised version of the liturgy of St James In a nutshell this study is an appraisal of various missiological themes reflected in the Eucharistic liturgy of the church This study throws ample light on how the Mar Thoma Church integrated liturgy and evangelism in its course of development The writer systematically illustrates how the church made a serious effort to bring missional themes employed in the liturgy into the practical realm by its ancillary organizations convention gatherings and sociocharitable works This volume asserts that an emphasis on Eucharist centred ecclesiology guides and motivates the church to enliven a mission oriented life which is crucial for accomplishing a relevant mission

Mission and Liturgy Dr. Jameson K. Pallikunnil,2018-06-15 As an ancient Christian community the Mar Thoma Church with its vibrant life of mission and sacraments has a pride of place in the Christendom The evangelization process and constant migration made this church a global Church which has encountered multi cultural and multi ethnic atmosphere and assimilated various cultural practices and faced faith confrontation in its own geographical regions This confrontation has caused a renewed view of nature identity and mission of the Church in a positive manner Mission is in fact the lifeblood of the Church Through its mission work and revised liturgy the Mar Thoma Church took a pioneer role in the formation and nurturing of new Christian communities in India and different parts of the world Hence this book reflects on the role of liturgy and its influence on the missionary undertakings of the MTC It elucidates how the revised liturgy functions as a basis for mission and recounts how liturgy and mission are connected Further the diverse mission centres of the Church and its cultural specialties an integration of liturgy and evangelism importance of liturgical orientation and training are also dealt with in detail Added to this the various challenges of the Church in its mission fields and diaspora regions are studied in the framework of the liturgy The scope of liturgical renewal is looked into where the liturgical adaptation and possibilities of

contextual liturgies in the Church are studied This study concludes with some of the pertinent liturgical proposals for the furtherance to sustain the life and mission of the Church With a living experience and profound theological understanding this ancient but reformed Church has something unique to offer to the whole Christendom ***Ethnic Church Meets Megachurch*** Prema A. Kurien, 2017-06-20 This book exposes the profound impact American evangelicalism is having on the religious lives of contemporary Christian immigrants and the pressures immigrant churches face to incorporate evangelical worship styles often at the expense of maintaining their ethnic character and support systems Most interestingly it shows that the integration patterns of post 1965 Christian immigrants and their descendants have essentially reversed earlier models While immigrants from Europe and their children were expected to shed their ethnic identities to become Americans in the sphere of religion they could maintain their ethnic traditions within American denominations This book shows that members of the contemporary second generation are incorporating into U S society by maintaining their ethnic identities in secular contexts but are adopting a de ethnicized religious identity and practice In particular many are gravitating toward evangelical megachurches Drawing on multi site research in the U S and India this book also provides a global perspective on religion demonstrating the variety of ways in which transnational processes affect religious organizations and their members and how forces of globalization from the period of colonialism to contemporary out migration have brought tremendous changes among Christian communities in the Global South Book jacket ***Eastern and Reformed*** Abraham Kuruvilla, 2018-09-25 The book looks into the liturgy of the Mar Thoma Church The Mar Thoma Church claims to be eastern and reformed An enquiry is made into the liturgy of the passion week and the Eucharist to look into the theology of Atonement work of Christ and the nature of the Holy Spirit respectively The measuring rod to determine the Eastern and the Reformed nature is the Eastern Fathers such as Gregory Nazianzen Athanasius St Basil etc and the Reformer John Calvin The theology of atonement work of Christ and the nature of the Holy Spirit as laid out in the liturgy of the Mar Thoma Church are compared to the teachings of the Eastern Fathers and Reformer John Calvin Some observations are made and accordingly conclusions are drawn Based on the conclusions some implications are made for the Mar Thoma Church ***Eucharistic Sacramentality in an Ecumenical Context*** David J. Kennedy, 2016-04-22 This book explores the epiclesis or invocation of the Holy Spirit in the Eucharistic Prayer using the Anglican tradition as an historical model of a communion of churches in conscious theological and liturgical dialogue with Christian antiquity Incorporating major studies of England North America and the Indian sub Continent the author includes an exposition of Inter Church ecumenical dialogue and the historic divisions between western and eastern Eucharistic traditions and twentieth century ecumenical endeavour This unique study of the relationship between theology and liturgical text commends a theology and spirituality which celebrates the presence of the Holy Spirit in the Eucharist as present and eschatological gift It thus sets historic contemporary and ecumenical divisions in a new theological context ***Do this in Remembrance of Me*** Bryan D. Spinks, 2014-02-10 Bryan Spinks is one of the world
