## SEQUENCING ACTIVITY

Mary had a little lamb,  
Its fleece was white as snow,  
And every where that Mary went  
The lamb was sure to go,  
He followed her to school one day—  
That was against the rule,  
It made the children laugh and play,  
To see a lamb at school.

**Surrender (but Don't Give Yourself Away)** Spike Gillespie, 2003-10-01 Spike Gillespie is beautiful charming and funny She told me to write that It's also true especially the funny part Some of us are just a lot more alive than others and Spike is one of those people who lives at 90 m p h while experiencing everything that happens to her with an intensity that is either painful or hilarious but usually both If you can imagine Anne Lamott as a working class kid from Jersey with a penchant for

losers you have an idea of Spike She s a woman grown now and signs of wisdom are setting in not that many years but a lot of mileage on the woman As a writer what she brings to the mountains of baggage in her life is not only humor but incurable honesty I think of her as a voice of the younger generation even though she s approaching forty because she has no protective layer on her nerve endings no cynicism no been there done that no ability to dismiss anything as too freaking strange to bother with She experiences it all wide open and then reports back Molly Ivins nationally syndicated political columnist and author of Molly Ivins Can t Say That Can She Spike Gillespie s voice is highly idiosyncratic extremely charming and deeply personal She is such a winning heroine that you root for her for her son You want to smooth the way for them a bit through the hardships they endure with such great good humor Sarah Bird author of The Yokota Officers Club Virgin of the Rodeo and The Mommy Club Spike Gillespie tells it like it is Whether she s writing about men mothering or money she cuts to the chase unabashedly recounting the exhilaration and uncertainty she is forever encountering along the odd path that is her life Gillespie approaches her subjects with a keen eye for curious details and a readiness to ask hard questions and give honest even brutal answers Her willingness to put it all down the painful the funny the mundane the embarrassing has won legions of readers for her print and online columns Surrender But Don t Give Yourself Away collects forty six essays which initially appeared in such publications as the Washington Post Austin Chronicle Dallas Morning News Bust Gargoyle and thecommonsense.org As Gillespie describes them There are odes to my good days and bad to trips I ve taken both real and metaphorical to holiness found in unexpected places to men I have not slept with to learning to live sober Too there are miscellaneous ruminations on my alter ego my inner teen the floor mat in my car a dead squirrel in the road Binding these pieces is the thread of hope there are moments the thread slips out of view only to resurface in some unexpected location Sometimes it takes awhile but Gillespie always relocates hope discovering even in her darkest times that life is full of an embarrassment of riches

Other Women Fiona McDonald,2013-06-01 Other Women is the vivid account of those women who belonged to a separate part of society in some ways invisible and socially unacceptable but at times holding positions of influence and power living in comfort and even luxury The stories range from the many mistresses of Charles II including Barbara Villiers who bore the king at least five children to the liaison between Edward VII and Alice Keppel greatgrandmother of the Duchess of Cornwall from the passionate loves of great artists Edward Burne Jones Charles Dickens Thomas Hardy and H G Wells to the affairs of many other men of arts and letters This book is not confined to the lovers of famous men however the author also charts the history of ordinary mistresses those who did not necessarily acquire wealth or wield influence There are stories here of power and politics freedom of speech and the rise from slum to palace But above all they are stories of love
