Bonekemper, 2015-03-23 Lincoln and Grant is an intimate dual portrait of President Abraham Lincoln and General Ulysses S Grant their ordinary Western backgrounds their early struggles to succeed and their history making relationship during the Civil War Though generally remembered by history as two very different personalities the soft spoken Lincoln and often crude Grant in fact shared a similar drive and determination as this in depth character study illustrates **Vadophil Issue No. 159-160** ,2019-12-12 *The 70's Biweekly* Lu Pan, 2023-06-21 Taking *The 70 s Biweekly* an independent youth publication in the 1970s Hong Kong as the main thread this edited volume investigates an unexplored trajectory of Hong Kong s cultural and art production in the 1970s that represents the making of a dissent space by independent press and activist groups in the city *The 70 s Biweekly* stands out from many other independent magazines with its unique blending of radical political theories social activism avant garde art

and local art and literature creations By taking the magazine as a nodal point of social and cultural activism from and around which actions debates community and artistic practices are formed and generated this book fills gaps in studies on how young Hong Kong cultural producers carved out an alternative creative and political space to speak against established authorities Split into three parts this book provides readers with a panoramic view of the political and cultural activism in Hong Kong during the 1970s writings on art and film and crucially interviews with former founders and contributors that reflect on how their participation led them to engage ideologically with their activism and community that extended far beyond the temporal and physical bounds of the magazine This unique collection represents a very valuable addition to the cultural history of the 1970s in Hong Kong and globally While the journal 70 s Biweekly serves as a connecting thread the volume in fact has broad ramifications documenting the political intellectual and cultural struggles of the anticolonial and incipient democracy movement in Hong Kong Sebastian Veg *cole des hautes tudes en sciences sociales* The 70 s Biweekly was significant and impactful in Hong Kong in the early 1970s It was an influential cultural and political platform during the early stage of the development of social movements in the colony An attempt to examine the publication and its wider impacts will further enrich the body of literature on Hong Kong society and culture Lui Tai lok The Education University of Hong Kong
