Teaching Economics William E. Becker, Suzanne R. Becker, Michael W. Watts, 2006-01-25 Teaching Economics is an invaluable and practical tool for teachers of economics administrators responsible for undergraduate instruction and graduate students who are just beginning to teach Each chapter includes specific teaching tips for classroom implementation and summary lists of do s and don ts for instructors who are thinking of moving beyond the lecture method of traditional chalk and talk **BOOK JACKET** **EBOOK: Economics, South African Edition** J. van Rensburg, Campbell McConnell, Stanley Brue, 2015-03-16 **EBOOK Economics South African Edition** **EBOOK: Economics: A Southern African Context, 3e** J. van Rensburg, Campbell McConnell, Stanley Brue, Sean Flynn, 2021-04-22 Economics studies how people businesses and governments use resources What shapes our decisions How do we allocate goods and services What does a rational choice look like In this third edition of Economics A Southern African Context the authors expertly guide us through the key principles of economics providing a solid foundation in the subject The text combines relevant Southern African examples with a clear and accessible narrative By encouraging critical engagement with economic theories it provides a basis for examining today s economic social and political issues **Key Features** A new structure to refocus the book and align with teaching Additional online chapters including the Economics of Pandemics available in Connect Fully updated pedagogy including Interactive Graphs Last Word and Quick Quiz boxes Discussions on new developments in economics such as the consequences of COVID 19 and the impact of BRICS membership on trade in South Africa Revised end of chapter content to test comprehension including Review Questions Discussion Questions and Problems available in Connect Economics A Southern African Context is available with McGraw Hill s Connect the online learning platform which features resources to help faculty and institutions improve student outcomes and course delivery efficiency Jan J Janse van Rensburg is a lecturer at the University of Pretoria His main area of interest is in teaching and course development with a focus on Principles of Economics He also specializes in Health Economics concentrating on the economic effects and costs of substance abuse Campbell R McConnell was a professor at the University of Nebraska Lincoln where he taught from 1953 until his retirement in 1990 Stanley L Brue is a professor at Pacific Lutheran University where he has been honoured as a recipient of the Burlington Northern Faculty Achievement Award Sean M Flynn is an associate professor of economics at Scripps College in Claremont California **Study Guide to Accompany McConnell and Brue Economics** Robert C. Bingham, 1990 Natural Resource Economics Barry C. Field, 2008-03-12 People make decisions regarding the use of natural resources every day from the individual recycling a sheet of paper to governments of large nations creating energy policy Those decisions ultimately affect people around the world Their motivation and results are best framed and analyzed using the tools of natural resource economics Field presents the methods and applications of the discipline in the latest edition of his popular text The updated book retains its successful structure first presenting basic economic principles as they

apply to natural resource use and then examining the economic issues surrounding individual resources New material is included on energy demand and efficiency nonrenewable resources individual transferable fishing quotas water pricing agricultural cropland programs and the Endangered Species Act Economics 101 for Senators and Representatives Wallace Hoffman,2022-08-24 The mission of this book is to inform all American citizens how their senators and representatives vote in Washington Do your senators and your representative fulfill the responsibilities of government in the Constitution and vote in your favor If that is true they are your friends Or do your senators and your representatives violate the Constitution and vote against your best interest If that is true they are your enemies If you vote for and reelect your enemies they will be your enemies the next two or six years President Obama s legacy of deficit spending is characterized by average deficit spending of more than a trillion dollars annually During those eight years every American household went to bed each evening fifty dollars deeper in debt regardless of how hard they worked or whether they spent any money The national debt more than doubled during President Obama s eight years in office Each person s share of debt increased from 30 000 to 70 000 *Microeconomic Issues Today* Robert B. Carson,2020-10-28 Now revised and updated to reflect critical changes in economic policy since the last edition *Microeconomic Issues Today* Eighth Edition provides Conservative Liberal and Radical interpretations and solutions for seven current microeconomic issues An instructor s manual with a test bank and discussion questions is available to professors who adopt the text and PowerPoint downloads are available as teaching aids Economic Issues Today Robert B. Carson,Wade L. Thomas,Jason Hecht,2015-03-04 Written in non technical everyday language that is accessible to the undergraduate audience and requiring no background in economic analysis this acclaimed text provides a unique approach to understanding what the practice of economics is all about The authors address fourteen current economic issues covering both micro and macro economics and offer analyses and proposed solutions for each from Conservative Liberal and Radical perspectives This new edition incorporates critical changes in economic policy since the last edition that affect every issue covered in the text Tables have been updated throughout to include current economic data and an all new section on social policy frames the current debate about the Social Security system The book s unique approach stimulates critical thinking on everyday issues that traditional texts either ignore or present as settled debates It helps students to understand the dual role that ideology and logical empirical argumentation play in economics Issues are presented as stand alone subjects that can be read in any sequence and used to supplement a wide range of principles of economics texts An instructor s manual with a test bank and discussion questions is available to professors who adopt the text and Power Point downloads are available as teaching aids The text is also available in two separate volumes *Microeconomics Today* and *Macroeconomics Today* **Microeconomics** Campbell R. McConnell,Stanley L. Brue,1996 Offering a unique blend of solid theoretical content and student accessibility this text stands apart with its emphasis on intriguing applications that convey the prevalence of economics in everyday life By applying economics to phenomenon that

students are familiar with and interested in this book demonstrates like no other text how economic analysis can be applied to virtually anything of interest thus helping students develop true economic intuition Additional student oriented features include a unique active learning format an emphasis on developing economic analysis skills and an outstanding visual program for exhibits and graphs Content highlights include balanced presentation of major macro theories a micro presentation that centers around the trilogy of objectives constraints and choices thorough integration of international topics and fully integrated Internet features that offer hands on exercises for exploring economics on line Microeconomics 5e is also available in a macro split and both micro macro are in the principles text
