Dentistry for the Child and Adolescent-- E Book BM Shanthala, 2019-05-28 PPT of important chapters Chapter wise MCQs with answers Four procedural videos *Fast Food, Fast Talk* Robin Leidner, 1993-08-04 Attending Hamburger University Robin Leidner observes how McDonald s trains the managers of its fast food restaurants to standardize every aspect of service and product Learning how to sell life insurance at a large midwestern firm she is coached on exactly what to say how to stand when to make eye contact and how to build up Positive Mental Attitude by chanting I feel happy I feel terrific Leidner s fascinating report from the frontlines of two major American corporations uncovers the methods and consequences of regulating workers language looks attitudes ideas and demeanor Her study reveals the complex and often unexpected results that come with the routinization of service work Some McDonald s workers resent the constraints of prescribed uniforms and rigid scripts while others appreciate how routines simplify their jobs and give them psychological protection against unpleasant customers Combined Insurance goes further than McDonald s in attempting to standardize the workers very selves instilling in them adroit maneuvers to overcome customer resistance The routinization of service work has both poignant and preposterous consequences It tends to undermine shared understandings about individuality and social obligations sharpening the tension between the belief in personal autonomy and the domination of a powerful corporate culture Richly anecdotal and accessibly written Leidner s book charts new territory in the sociology of work With service sector work becoming increasingly important in American business her timely study is particularly welcome

roots to its long term consequences **Franchise Opportunities Handbook** United States. Domestic and International Business Administration,1977 This is a directory of companies that grant franchises with detailed information for each listed franchise **Franchise Opportunities Handbook** ,1969 This is a directory of companies that grant franchises with detailed information for each listed franchise Strategy Implementation Kurt Verweire,2014-04-24 Strategy implementation or strategy execution is a hot topic today Managers spend significant resources on consulting and training in the hope of creating brilliant strategies but all too often brilliant strategies do not translate into brilliant performance This book presents new conceptual models and tools that can be used to implement different strategies The author analyses how market leaders have benefitted from successful strategy implementation and provides the reader with a comprehensive and systematic framework to tackle strategy implementation challenges Have clear strategic choices been made Are actions aligned with the strategy What s the organizational context for the strategy In answering these simple questions the book provides students of strategic management along with managers involved in designing and implementing strategies with a valuable resource The Org Ray Fisman,Tim Sullivan,2013-01-08 We create organizations because we need to get a job done something we couldn t do alone and join them because we re inspired by their missions and our paycheck But once we re inside these organizations rarely feel inspirational Instead we re often baffled by what we encounter clueless managers a lack of clear objectives a seeming disregard for data and the vast gulf between HR proclamations and our experience in the cubicle So where did it all go wrong In The Org Ray Fisman and Tim Sullivan explain the tradeoffs that every organization faces arguing that this everyday dysfunction is actually inherent to the very nature of orgs The Org diagnoses the root causes of that malfunction beginning with the economic logic of why organizations exist in the first place then working its way up through the org s structure from the lowly cubicle to the CEO s office Woven throughout with fascinating case studies including McDonald s al Qaeda the Baltimore City Police Department Procter and Gamble the island nation of Samoa and Google The Org reveals why the give and take nature of organizations while infuriating nonetheless provides the best way to get the job done You ll learn The purpose of meetings and why they will never go away Why even members of al Qaeda are required to submit Travel Expense reports What managers are good for How the army and other orgs balance marching in lockstep with fostering innovation Why it s the hospital administration not the heart surgeon who is more likely to save your life That CEOs often spend over 80% of their time in meetings and why that s exactly where they should be and why they get paid so much Looking at life behind the red tape The Org shows why the path from workshop to corporate behemoth is pockmarked with tradeoffs and competing incentives but above all demonstrates why organizations are central to human achievement *Post-structuralist Geography* Jon Murdoch,2006 *Post structuralist Geography* is a highly accessible introduction to post structuralist theory that critically assesses how post structuralism can be used to study space and place Key Features Offers a thorough appraisal of the work of key post structuralist thinkers including Gilles Deleuze Michel

Foucault and Bruno Latour Provides case studies to elucidate illustrate and apply the theory Presents boxed summaries of complex arguments which with the engaging writing style provide a clear overview of post structuralist approaches to the study of space and place Comprehensive and comprehensible communicating a new and exciting agenda for human geography Post structuralist Geography is the students essential guide to the theoretical literature **Working for**
