

## To the Student

This *Vocabulary Power* workbook gives you the practice you need to expand your vocabulary and improve your ability to understand what you read. Each lesson focuses on a single vocabulary concept or on a theme that ties together the list of words in the Word Bank. You then have several opportunities to learn the words by completing exercises on definitions, context clues, and word parts.

You can keep track of your own progress and achievement in vocabulary study by using the Student Progress Chart, which appears on page v. With your teacher's help, you can score your work on any lesson or test. After you know your score, use the Scoring Scale on pages vi–vii to figure your percentage. Then mark your score (or percentage correct) on the Student Progress Chart. Share your Progress Chart with your parents or guardians as your teacher directs.
