In the back of the book I found an 'extra extra read all about it' page which said that Michelle Magorian was looking at a thin, pale beech tree thinking what kind of person it may be. This is how she created William Beech, the main character. Mr Oakley also known as Mr Tom was inspired by an oak tree.

Goodnight Mister Tom is set in World War 2 it takes place in London and in a small country village called little weirwold. The next day, at school Mr Tom finds that william cannot read or write and that he has a passion for art. William also makes his first friend an evacuee like himself called Zach Wrench. However, Zach is loud, confident and talks too much the opposite of William. On William's birthday he receives lots of presents from the people of the village, his favorite being the art apparatus he gets from Mr Tom.
