London staked his claim on posterity In Dayton Ohio a charismatic guide brings Paul Laurence Dunbar to compelling life for those few visitors willing to listen in Cleveland Trubek finds a moving remembrance of Charles Chesnutt in a house that no longer stands Why is it that we visit writers houses Although admittedly skeptical about the stories these buildings tell us about their former inhabitants Anne Trubek carries us along as she falls at least a little bit in love with each stop on her itinerary and finds in each some truth about literature history and contemporary America Writer's and Illustrator's Guide to Children's Book Publishers and Agents Ellen Renée Shapiro,2003 This is the ultimate writer s and illustrator s reference to who s who in the children s publishing industry Readers will uncover the names addresses phone numbers and e mail and Web addresses for more than 250 book and magazine publishers 500 children s book editors 100 children s book agents and more **Jeff Herman's Guide to Book Publishers, Editors and Literary Agents 2017** Jeff Herman,2016-09-01 Still the Best Guide for Getting Published If you want to get published read this book Comprehensive index lists dozens of subjects and categories to help you find the perfect publisher or agent Jeff Herman s Guide unmask nonsense clears confusion and unlocks secret doorways to success for new and veteran writers This highly respected resource is used by publishing insiders everywhere and has been read by millions all over the world Jeff Herman s Guide is the writer s best friend It reveals the names interests and contact information of thousands of agents and editors It presents invaluable information about more than 350 publishers and imprints including Canadian and university presses lists independent book editors who can help you make your work more publisher friendly and helps you spot scams Jeff Herman s Guide unseals the truth about how to outsmart the gatekeepers break through the barriers and decipher the hidden codes to getting your book published Countless writers have achieved their highest aspirations by following Herman s outside the box strategies If you want to reach the top of your game and transform rejections into contracts you need this book **Guide to Literary Agents 2019** Robert Lee Brewer,2018-09-14 THE BEST RESOURCE AVAILABLE FOR FINDING A LITERARY AGENT No matter what you re writing fiction or nonfiction books for adults or children you need a literary agent to get the best book deal possible from a traditional publisher Guide to Literary Agents 2019 is your go to resource for finding that literary agent and earning a contract from a reputable publisher Along with listing information for more than 1 000 agents who represent writers and their books the 28th edition of GLA includes The key elements of a successful nonfiction book proposal Informative articles on crafting the perfect synopsis and detailing what agents are looking for in the ideal client written by actual literary agents Plus debut authors share their varied paths to finding success and their first book publications **2014 Novel & Short Story Writer's Market** Rachel Randall,2013-08-14 The best resource for getting your fiction published The 2014 Novel Short Story Writer s Market is the only resource you ll need to get your short stories novellas and novels published As with past editions Novel Short Story Writer s Market offers hundreds of listings for book publishers literary agents fiction publications contests and more Each listing includes contact information submission guidelines and other important tips You
