## Holidays With The Walker Brothers:

*Holidays with the Walker Brothers* Nicole Edwards, 2013-11-01 You are personally invited to spend the holidays with the Walker brothers and their families As with any other time of the year the seven brothers know how to heat things up while stirring up trouble and between Thanksgiving and New Year s they don t hold back See how Kaleb Zane Travis Sawyer Brendon Ethan and Braydon spend their days and nights through the holiday season But just a warning it doesn t snow much in Coyote Ridge Texas and they may just be the reason for that *All In* Nicole Edwards, 2020-05-12 Brantley Walker has dedicated his life to serving his country Having given seventeen years to the US Navy the last ten as a SEAL the mission was the only thing he knew the only thing that mattered He never even considered what life would look like after the mission was over Until he s forced to After months of recovering from career ending injuries Brantley finds himself back in his hometown of Coyote Ridge Texas Once again a permanent resident with the full support of his family and friends he embarks on a journey to start over forced to figure out what to do with the rest of his life a task that is far easier said than done Then the unthinkable happens When his cousin Travis s daughter is kidnapped Brantley puts himself right back in the action partnering up with Reese Tavoularis to find the little girl and bring her home where she belongs As events unfold Brantley and Reese find themselves undertaking another mission Only this one results in a journey that takes them in a direction neither of them expected to go *Owned* Nicole Edwards, 2021-02-23 Have you ever believed you d one day cross paths with someone who would sweep you off your feet and offer you a life right out of a fairy tale When you ve spent your life hiding from monsters it seems reasonable that you might cling to a magical fabled romance I did I found it was easier to look for the positive to remain hopeful and to sometimes imagine a fantasy worthy life I m not sure if I did it for my sanity or to keep my brother s spirits up You see Ransom Bishop is not only my brother he s also the one who saved me from a life that would ve ended badly and in doing so he gave up so much Since the day he stole me away from the monsters when I was nine years old Ransom has been mother father brother and best friend watching my back and protecting me from them For fifteen years we thought we were safe and maybe we were But then my brother helped a friend in need and everything changed They found us Now it s a matter of life or death and there s only one person my brother trusts one man Ransom is willing to be indebted to in an effort to ensure nothing happens to me Talon has agreed to take me in Under one condition Ransom has to relocate with me and he has to fake our deaths Again Little do I know but Talon is going to change my perception my ideals and yes he s going to change my life My name is Braelyn Bishop and this is my fairy tale *Owned* is the final book in the Office Intrigue series and it contains two storylines This book can be read as a standalone **To Have and To Hold** Nicole Edwards, 2024-04-09 The moment everyone s been waiting for Brantley Walker and Reese Tavoularis are counting down until their wedding day With only seven more days to go and plenty to do they are enjoying some downtime with friends and family while checking off the remaining boxes on JJ s checklist While everyone gears up for the big event Atticus James returns to

Coyote Ridge to find he has some decisions to make Not only does he get to choose which address he wants to call home but there are two men interested in being more than just roommates The hardest part is figuring out which one to choose or whether he needs to choose at all Provided everyone survives the bachelor party makes it through the rehearsal dinner unscathed and works through their wedding day jitters they re home free *Alibi* Nicole Edwards,2021-07-27 Travis Walker has been battling dark urges since the day Juliet Prince kidnapped his six year old daughter four months ago Although Kate was returned safely the woman responsible vanished When their attempts to find her keep coming up empty Travis let his need for retribution consume him and it nearly cost him his relationship with his family Thanks to help from Gage and Kylie Travis came back from the brink and passed the case back where it belonged with the Off the Books Task Force What they don t know is that despite their best efforts at locating her Juliet doesn t intend to run forever She s coming back to Coyote Ridge to settle the score once and for all And this time she intends to bring Travis to his knees by targeting his most precious possessions his family When the unthinkable happens Travis s thirst for vengeance is reignited and he will move heaven and earth to avenge his family **Rafe** Nicole Edwards,2023-09-26 A history of running When Rafe Sharpe was eighteen he put Coyote Ridge his family and everyone he knew in his rearview in order to escape his past When he returned three years ago everyone thought he d returned to face the horrors that had shaped his existence What he didn t tell anyone was that he d been running then too But settling in didn t mean settling down because that wasn t in the cards for Rafe even if he was secretly pining for the beautiful pure hearted Bailey Weber Despite being his greatest temptation Rafe managed to keep Bailey in the friend zone opting to be her confidante and protector ensuring she believed her feelings for him weren t reciprocated After all Rafe wasn t worthy of anyone s love Not after what he did The past and present collide It isn t until a handsome man from his past rolls into town that Rafe realizes what he was running from and what he s been resisting would soon come together becoming a powerful pull on the heartstrings he didn t even know he had **Rex** Nicole Edwards,2019-03-26 Whether it was due to lack of funds lack of desire or one lame excuse after another Rex Sharpe has managed to ignore the one and only dream he s ever had turning his family s dilapidated old farmhouse into a bed and breakfast Until now When his cousin Travis Walker decides to invest in a venture that will help revitalize the small town of Coyote Ridge Rex knows it s time to put up or shut up They say third time s a charm right Jack Cunningham learns that s not always true When his world is unexpectedly tipped on its axis Jack does what he does best He runs Only this time he doesn t get far A one night encounter with a sexy cowboy has Jack s already topsy turvy world spinning even more and he soon learns it s only the beginning Capture Nicole Edwards,2023-07-25 Volume 4 Do you know what happens when you try to build a house of cards in a windstorm It doesn t work And if you re lucky enough to lay a foundation and erect a few walls it only takes one misstep to throw the delicate balance out of whack and cause the whole thing to fall That s one way to describe what it s like to date three men Three handsome intelligent quick witted men They are also arrogant sexy domineering and

overbearing Did I mention frustrating Because they can be One more so than the others As for the misstep that will send these precarious new relationships tumbling I think it s coming Volume 5 I can t be sure whether this is the calm after the storm or the stillness that settles in before the next one Either way my love life has flatlined and I m grasping for a way to set things right It should be simple except I m questioning the decision I made I know what I want I m just not sure how to go about making it work Good thing the men in my life are According to them when chaos disrupts your ideal sense of normalcy setting ground rules is the best way to rein it in Just a few basics to keep things from falling apart Only my men aren t calling these additional rules the basics And normal well that s not a word I would use to describe what they have in store for me Volume 6 As though dating three men isn t complicated enough now there are new feelings to decipher and another threat creating chaos Only this time my stalker has stepped up his game and his actions send the men in my life into protective mode But not before I learn that they ve been lying to me since the day I met them These aren t little white lies either Or ones of omission no matter what Creed says These are the kind of lies used to package up secrets that have the ability to alter the entire foundation of our relationship This time I m not looking for space I m not walking away I want answers and they re going to give them to me What I don t realize is that getting them may very well set us on another course entirely Note from the author The Primal Instincts series was originally released in individual volumes Chase Capture and Claim are the combination of these volumes The stories are the same Bounty Nicole Edwards,2022-09-20 Recently engaged and moving forward Brantley Walker and Reese Tavoularis are enjoying a bit of downtime with friends and family But anyone in their line of work knows that sitting idle never lasts long When Reese s brother Z asks for their assistance in finding a man who skipped bail and is now on the run from the law as well as a few unsavory characters the pair find themselves on a mission that s a little outside of Reese s comfort zone No make that way outside his comfort zone when he learns that the man they re looking for is one of his mother s former lovers As is usually the case nothing is as it seems and Brantley Reese and the rest of the Off the Books Task Force find themselves mixed up with the mob as they try to uncover the truth

**Forevermore** Nicole Edwards,2022-07-26 With nine years of marriage behind them and eight years into their polyamorous relationship Logan Samantha and Elijah are about to take their relationship to the next level Six months ago in a cabin lit by candlelight as part of a game Samantha convinced them to play Elijah kissed Logan ultimately changing the dynamic of their relationship They ve had plenty of time to process what it means but it isn t until Sam takes a girls trip that Logan makes the first move deciding it s time to explore things further When Logan and Elijah realize that one mind blowing encounter hadn t been a one time only event they look to Sam to help guide them through the unknown Forevermore is a continuation of Cabin By Candlelight from Naughty Holidays 2021 voted on by the readers Confessions Nicole Edwards,2022-05-24 After being shot in a failed kidnapping Reese Tavoularis went off the radar Instead of returning to Coyote Ridge to mend things with Brantley he chose to stay in Dallas leaving his team behind and using his recovery as a

reason to maintain his distance more accurately to evade the consequences of his choices Now he s back to seek forgiveness and persuade the man he loves to give their relationship another chance When Magnus Storme faces kidnapping allegations Reese reconnects with his team as they unite to prove Magnus s innocence and locate the missing woman Hot Chocolate Wishes Nicole Edwards,2023-12-04 See what s happening at Christmas in Coyote Ridge with never before seen characters who are proving that the holidays are even better when they re naughty Reilly Jameson has had a crush on her older brother s best friend for as long as she can remember This year she s decided to put it all on the line and see if she can give Brady McCord a nudge in the right direction She intends to show him that despite the age difference they can be really good together Donovan Jameson has shrugged off his attraction to his little sister s best friend for quite some time because Tate Riggs is not his type But for some reason he can t shake it anymore When Tate calls him sweetie Donovan wants nothing more than to dominate the younger man and show him just how sweet they can be together This is a full length holiday romance with HEAs for two separate couples Since their lives are so intertwined it seemed more fun to let it play out side by side **Secrets** Nicole Edwards,2022-02-22 The Off the Books Task Force is nearing its one year anniversary While they ve successfully closed multiple cases it hasn t been easy Even after the governor dissolved the team they are finding their new home under the umbrella of Sniper 1 Security As with everything the private sector has new challenges for them to tackle such as expanding the team Even as they work to broaden their reach there are still cases to be worked When a partner at an investment firm goes missing Governor Greenwood reaches out for their assistance Putting aside their grudges the team uses their combined skills to unravel the mystery Not only do secrets emerge where the case is concerned many more are brought to light within the team itself Kaden & Keegan Nicole Edwards,2020-10-20 Bristol Newton has spent the past couple of years doing her best to keep her distance from Kaden and Keegan Walker Up to this point avoiding the sexy twins hasn t been as easy as she hoped it would be Thankfully she has a plan sign them up for the Fall Festival s auction and let some lucky lady win a date with them After all it s for a good cause Plus it ensures she doesn t get pulled under their spell She should ve known even that wouldn t be easy When Kaden and Keegan have questions Bristol reluctantly agrees to dinner to explain the details That was her first mistake The second resulted in the hottest night of her entire life with the two sexiest men she d ever met A night that would change all their lives in ways they never expected **Rough & Dirty** Nicole Edwards,2024-06-11 One night Rough dirty and so hot it was a wonder the barn didn t burn down from the heat they generated If Stone Jameson were writing a letter to his younger self it would go something like this Don t waste time leaving You have everything you ll ever want already Unfortunately Stone didn t have the ability to warn his younger self nor could he get the last fifteen years of his life back He could however return to the last place he d experienced real happiness his hometown of Coyote Ridge It takes mere days for him to realize that all the years he spent trying to forget the night that had altered his perception of himself were in vain It takes a single glimpse of what he left behind to bring it all back the potent

attraction the intense connection and the longing permanently etched in his soul Getting absolution for his mistakes might be impossible but when a second chance presents itself Stone knows that determination and persistence are the only tools he needs to build the solid foundation he s seeking      **Harmless** Nicole Edwards,2017-03-28      Violet Nicole Edwards,2024-10-22 Curses To believe or not to believe Violet Anderson believed How could she not when the proof was right in front of her And her curse well it meant that like her mother and older sisters she was doomed to spend her life pining for a man who would undervalue her Not that she would allow that to happen She d never met a man worth pining for Then Simon Jennings walked into her bookstore Aside from being hot enough to put her brain on the fritz the man was not her type He was one of those nice guys the kind who opened doors and didn t try to cop a feel during a simple goodnight kiss Since the curse ensured nice guys would never fall in love with her Violet knew her best bet was to stay as far from him as she could Too bad Simon didn t get the memo When Simon s charm proves too powerful to resist Violet gives in to the undeniable chemistry After all it s not like she would fall in love with a handsome stranger after one night right      My First Holiday Caroline Wells Healey Dall,1881 Dall described her seven month trip during 1880 through the West      **Claim** Nicole Edwards,2023-08-28 Volume 7 With each passing day I am learning new things about myself I have the men in my life to thank for that They are giving me the freedom to explore things I ve only ever fantasized about In doing so we are all accepting the complexity of our situation making compromises and taking risks When you fall in love with more than one man you can be certain that the highs and lows of a normal relationship are multiplied and they can be overwhelming at times Now that there are no more secrets between us there is nothing standing in our way We are free to move forward Except there are other forces at play Someone who knows the right card to play to ensure our happily ever after eludes us Possibly forever Volume 8 When you re determined enough you can accomplish almost anything That s my mantra as I deal with the upheaval my absence has caused Although they re slow to accept my apology the men in my life are coming around It helps that I want nothing more than to prove to them that I m no longer a flight risk I ll do whatever it takes to ensure they know how much they mean to me Unfortunately I m not the only person fueled by fierce determination The man out to hurt me to punish those I care about has proven he s willing to do whatever is necessary to rip apart my life bit by bit He s a worthy adversary I ll give him that But no one could ve predicted his final move the one that could destroy everything we ve worked so hard to build Volume 9 When you give your heart to someone there s always the chance it can be broken When you give your heart to more than one person the chances are significantly greater My entire world has erupted in chaos and the lives of two men I love are in danger On the outside I m holding my head up but on the inside I m curling into a fetal position wishing someone would hold me so I don t fall apart It s coming I can feel it My heart can t handle the pain of not knowing whether Hawk or Creed will live through the night it can t process the fear that Garrison and Nick will meet the same fate I m stuck in this horrible void of nothingness as I wait for someone to give me a lifeline to hold onto I m starting to think it will

never arrive and I ll be left to drift off into oblivion Volume 9 is the last book in the Primal Instincts series Although they endure some dark times love wins and this unconventional love story ends happily ever after As a bonus there s a glimpse of the future for Journey Creed Hawk Garrison and Nick

*Trey Nicole Edwards, 2022-12-27* Trey Walker has one major flaw as far as he s concerned he impulsively falls in love too easily and too often That reckless impulse resulted in several failed relationships not to mention the implosion of his marriage And what s the best way to ensure you don t make that mistake again That s easy You shrug off relationships for good And it was working for him Right up until it wasn t Trey was on a winning streak until fate threw him a curveball eighteen months ago when he crossed paths with Magnus Storme the smoking hot ridiculously persistent twenty four year old owner of Camp K 9 Using the 12 year age gap as an excuse Trey managed to resist Magnus for about a minute Did he mention Magnus was persistent His first mistake was taking Magnus home thinking one night with him would get the man out of his system One night turned into two then a week a month two After a year Trey still adamantly denied falling for Magnus which meant he wasn t only lying to Magnus he was lying to himself Just when Trey s life seems to be cruising along the right track another unexpected turn arrives this time in the form of a woman from Magnus s past Only Ava March isn t just any woman she s one Magnus has a history with and now Ava needs him Trey has to make a decision live in denial and walk away from the man he loves or accept that his feelings are in direct contradiction to everything Trey thought he knew about himself This MMF romance can be read as a standalone however Trey Magnus and Ava s story picks up where things left off in Confessions from the Brantley Walker Off the Books series Trigger warning While this book is about love healing and perseverance some readers may find the retelling of the physical abuse Ava suffered at the hands of her husband difficult to read
