The Women's Movement in Postcolonial Indonesia Elizabeth Martyn, 2004-11-10 This book examines women s activism in the early years of independent Indonesia when new attitudes to gender nationalism citizenship and democratization were forming It questions the meaning of democratization for women and their relationship to national sovereignty within the new Indonesian state and discusses women s organizations and their activities women s social and economic roles and the different cultural regional and ethnic attitudes towards women while showing the failure of political change to fully address women s gender interests and needs The author argues that both the role of nationalism in defining gender identity and the role of gender in defining national identity need equal recognition

Higher education in a globalising world Peter Mayo, 2019-07-04 This book focuses on current policy discourse in Higher Education with special reference to Europe It discusses globalisation Lifelong Learning the EU s Higher Education discourse this discourse s regional ramifications and alternative practices in Higher Education from both the minority and majority worlds with their different learning traditions and epistemologies It argues that these alternative practices could well provide the germs for the shape of a public good oriented Higher Education for the

future It theoretically expounds on important elements to consider when engaging Higher Education and communities discussing the nature of the term community itself Special reference is accorded to the difference that lies at the core of these ever changing communities It then provides an analysis of an on the ground project in University community engagement before suggesting signposts for further action at the level of policy and provision *The Right to Learn* Ken Brown,2002-11 The Right to Learn raises questions about the future of the learning society It suggests that the rights of children and parents are not being addressed by the UK Government s concentration on a highly centralized education system **Open Learning and Public Libraries** John Allred,Peggy Heeks,Library Association,1990
