Aging and Health Care Marcia G. Ory, Kathleen Bond, 2024-05-10 Of all the problems associated with a rapidly growing aging population health care demands top priority Research on health care for older people requires an understanding of the basic principles of aging and its related social processes while popular assumptions on the subject are often ill informed and are based more on misconceptions about aging than on scientific knowledge Originally published in 1989 Aging and Health Care focuses on the most urgent health care problems of older people at the time and explores possible solutions Drawing on up to date social and behavioral research it provides a sound basis on which to build practices and policies on aging and health care The contributors examine the complex relationships among aging persons their health care needs and the current health care and support systems Individual chapters contribute in particular to our understanding of the interactions of the health care system with individual aging processes and the interdependence between the informal and formal care systems With its emphasis on the interrelationships of health care with the biological psychological and social changes that people experience as they grow older Aging and Health Care will still be of historical interest to those studying in social science aging and public health

Local Story John P. Rosa, 2014-08-31

The Massie Kahahawai case of 1931 1932 shook the Territory of Hawai i to its very core Thalia Massie a young Navy wife alleged that she had been kidnapped and raped by some Hawaiian boys in Waik k A few days later five young men stood accused of her rape Mishandling of evidence and contradictory testimony led to a mistrial but before a second trial could be

convened one of the accused Horace Ida was kidnapped and beaten by a group of Navy men and a second Joseph Kahahawai lay dead from a gunshot wound Thalia s husband Thomas Massie her mother Grace Fortescue and two Navy men were convicted of the lesser charge of manslaughter despite witnesses who saw them kidnap Kahahawai and the later discovery of his body in Massie s car Under pressure from Congress and the Navy territorial governor Lawrence McCully Judd commuted their sentences After spending only an hour in the governor s office at Iolani Palace the four were set free Local Story is a close examination of how Native Hawaiians Asian immigrants and others responded to challenges posed by the military and federal government during the case s investigation and aftermath In addition to providing a concise account of events as they unfolded the book shows how this historical narrative has been told and retold in later decades to affirm a local identity among descendants of working class Native Hawaiians Asians and others in fact this understanding of the term local in the islands dates from the Massie Kahahawai case It looks at the racial and sexual tensions in pre World War II Hawai i that kept local men and white women apart and at the uneasy relationship between federal and military officials and territorial administrators Lastly it examines the revival of interest in the case in the last few decades true crime accounts a fictionalized TV mini series and most recently a play and a documentary all spurring the formation of new collective memories about the Massie Kahahawai case
