Launching A New Republic Study Guide Answers:

The New Republic Herbert David Croly,1926 **Political Questions/judicial Answers** Thomas M. Franck,1992-09-06

Almost since the beginning of the republic America's rigorous separation of powers among Executive Legislative and Judicial Branches has been umpired by the federal judiciary It may seem surprising then that many otherwise ordinary cases are not decided in court even when they include allegations that the President or Congress has violated a law or the Constitution itself Most of these orphan cases are shunned by the judiciary simply because they have foreign policy aspects In refusing to address the issues involved judges indicate that judicial review like politics should stop at the water's edge and foreign policy managers find it convenient to agree Thomas Franck however maintains that when courts invoke the political question doctrine to justify such reticence they evade a constitutional duty In his view whether the government has acted constitutionally in sending men and women to die in foreign battles is just as appropriate an issue for a court to decide as whether property has been taken without due process In this revisionist work Franck proposes ways to subject the conduct of foreign policy to the rule of law without compromising either judicial integrity or the national interest By examining the historical origins of the separation of powers in the American constitutional tradition with comparative reference to the practices of judiciaries in other federal systems he broadens and enriches discussions of an important national issue that has particular significance for critical debate about the imperial presidency

How Student Journalists Report Campus Unrest Kaylene Dial Armstrong,2017-11-22 Journalists are trained to tell the stories of others and leave themselves out of their writing Student journalists are no different They spend their days on their college newspaper writing about what happens to others especially when what is happening involves protests sit ins riots hunger strikes and other unrest on the very campuses where they also attend school Now some of these former student reporters and editors tell their own stories of some of the challenges all student journalists face in reporting events that most administrators would rather see not covered at all For some this is the first time the stories of what happened in the newsrooms and behind the scenes will appear in print Some of the issues they discuss include censorship the role of the newspaper as the conscience of the community objective and activist journalism and the challenges of reporting crises The protests covered here represent the many concerns college student protesters have tackled through the decades integration in 1962 the free speech movement of 1964 racial issues and the Vietnam War in 1968 and 1970 and continuing racial issues in the present Many of these former student journalists look back decades to their work in the 1960s Some discuss a more recent protest Looking back they admit they might have done things differently if they had to do it again yet all are fiercely proud of the work they did in recording the first version of history

The Fryeburg Chronicles Book II June O'Donal,2012-06 The Fryeburg Chronicles A Secret and A Promise After reading Book I of June O Donal s Fryeburg Chronicles historical fiction series I must say that I was quite eager to begin Book Two In her remarkably well researched work O Donal takes us to a simpler yet still well established Fryeburg of 220 years ago a time when the village was still small and when Fryeburg Academy began Today s Academy hardly resembles the single building that sprang from that vibrant edge of the wilderness community of 1792 and yet the ideals of learning and excellence are as alive today as they were then People and settings jump from the page and take on a life of their own that magically intertwines with who we are today and how we imagine those who lived long before us I can envision the sounds of children swimming and fishing in the river and clamoring up the school steps even as the dust from the road floats up into the leaves of the elms and maples along Main Street I can hear the sounds of the farmyard and the voices of the families moving about their days I can feel the immense joy and crushing sadness that our forebears often experienced and which were never far from reach Thank you June for bringing our roots to life Timothy G Scott Director of Development Fryeburg Academy One man one secret Two slaves two choices Three brothers one promise Should one break man s law to obey God This is the question the Miller family must answer for themselves in this family friendly historical novel
