The Spirits and the Law Kate Ramsey, 2014-02-07

The Spirits and the Law examines that vexed history asking why from 1835 to 1987 Haiti banned many popular ritual practices To find out Kate Ramsey begins with the Haitian Revolution and its aftermath Fearful of an independent black nation inspiring similar revolts the United States France and the rest of Europe ostracized Haiti Successive Haitian governments seeking to counter the image of Haiti as primitive as well as contain popular organization and leadership outlawed spells and later superstitious practices While not often strictly enforced these laws were at times the basis for attacks on Vodou by the Haitian state the Catholic Church and occupying U S forces Beyond such offensives Ramsey argues that in prohibiting practices considered essential for maintaining relations with the spirits anti Vodou laws reinforced the political marginalization social stigmatization and economic exploitation of the Haitian majority At the same time she examines the ways communities across Haiti evaded subverted redirected and shaped

Can We Zoom into God? Andrew Hemingway, 2023-10-19 When Zoom worship emerged in Britain during the COVID lockdown of 2020 Christians quickly turned to an art form a form of theater to deliver their worship It was a quest for immanence the very thing the Reformation dealt with by the elevation of transcendence What an intriguing thought Could John Calvin with his dictum regarding piety have practiced Zoom worship Served as he was with the principle that the finite cannot contain the infinite we must admit it looks very unlikely At least in this Calvin saw eye to eye with Erasmus but what of Luther He may have been a comfortable Zoom worshiper with his views that Religious artworks are neither here nor there and We may have them or not as we please Little did the church realize that it would be a step back into the past because what you permit you promote The desire to use images was much more sinister than in Medieval times as these were now images of ourselves

Regardless of the age the image reigns supreme What had caused the demise Was it bereavement It could not be bereavement of God rather it was the loss of the social the bereavement of one another The need for one another had forced the hand of Christians to turn to a practice completely untested Zoom worship was born the genie is out and will never go back in But in the face of the now acceptable force of contemporary narcissism who cares
