We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.      **The Middle-Class Gentleman ( Le Bourgeois Gentilhomme)** Molière, 2023-07 The Middle Class Gentleman written by Molière in 1670 is a delightful comedy that satirizes social climbing and the pretensions of the middle class. The play revolves around Monsieur Jourdain, a wealthy tradesman who dreams of becoming an aristocrat and immersing himself in the trappings of high society. Through hilarious encounters with various characters including a philosopher, a music master, and a master of arms, Jourdain's naivety and gullibility are laid bare. The play cleverly explores themes of social ambition, class distinction, and the notion that true nobility cannot be bought or imitated. Molière's witty dialogue and comedic timing add to the play's charm, providing audiences with uproarious laughter while offering a sharp critique of societal conventions. This story remains a timeless work, resonating with audiences across generations. Molière's astute observations of human folly and his masterful blend of satire and humor make this play a true comedic gem, continuing to entertain and enlighten readers about the foibles of social pretensions.      Molière's Le Bourgeois Gentilhomme - Scholar's Choice Edition Molière, 2015-02-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible.
