

Life Metaphor

Life is like a neverending highway embedded with speed bumps and stop signs.

I drive my car and it leads me into the unknown.

Implicating me with sharp curves and steep hills, making me pounce off the ground.

Suddenly, it leads me into my destination

Its bright yellow lines illuminate my path during dark gloomy nights.

As I release my foot from the pedal, the highway seems to have fewer

speed bumps and fewer stop signs.

The road seems shorter now.

Then I begin to wonder was there another path I could have taken.
