Marlovian Tragedy Troni Y. Grande, 1999 This re visioning of the Marlowe canon aims to explain the ambiguous effects that readers have long associated with Marlowe s signature Marlovian tragedy has been inadequately theorized because Marlowe has too often been set under the giant shadow of Shakespeare Grande by contrast takes Marlowe on his own terms and demonstrates how he achieves his notorious moral ambiguity through the rhetorical technique of dilation or amplification All of Marlowe s plays end in the conventional tragic way with death But each play as well as Hero and Leander repeatedly evokes the reader s expectations of a tragic end only to defer them dilating the moment of pleasure so that the protagonists can dally before the law of tragedy *Shakespeare and the Problem Play* E.L. Ridsen, 2012-10-22 Shakespeare s plays provide a rich source of genre variation as well as moral or ethical issues that invite deep study The genre issue often proves the very moral crux where Shakespeare raises the most complex questions He aimed to build good plays not simple fulfillments of genre demands To him good plays meant leaving his audience with problems to consider This book begins with those works most commonly appearing in studies of problem plays The Merchant of Venice Troilus and Cressida All s Well That Ends Well Measure for Measure moves to some comedic problem plays Much Ado About Nothing A Midsummer Night s Dream and Twelfth Night and then to tragic problem plays Hamlet Othello and King Lear It concludes with some problems in the history and romance genres for the issues they raise in love adventure and governance Henry IV Part 1 Henry V Cymbeline The Tempest and Love s Labor s Lost Understanding Rhetoric Eamon M. Cunningham, 2020-01-01 Understanding Rhetoric A Guide to Critical Reading and Argumentation is a composition textbook that outlines three essential skills rhetoric argument and source based writing geared towards newcomers and advanced students alike Though comprehensive in its coverage the book s focus is a simple one how to move beyond a gut reaction while reading to an articulation of what is effective and what is not while explicitly answering the most important question of Why This text gets at this central concern in two fundamental ways First the text teaches composition as a cumulative process coaching you how to question challenge and expand on not just the readings you hold in your hands but also how to interrogate the internal processes of writing and thinking The book s blend of composition methods detail the cross point of product and process to

turn reading and writing from a matter of coming up with answers to questions to learning what type of questions need to be asked in the first place The right questions the text argues are fundamentally rhetorical in nature Second the content of the practice based chapters is framed into a larger mesh of intellectual history to show how the writing and thinking you are doing today is continuous with a long history of writing instruction that goes back to the ancient world This book provides equal representation from classical and contemporary theory with the recognition that theory cannot be fully grasped without practice and practice cannot be fully understood without its theoretical antecedent After all you can't write outside the box until you know where the box is and what it looks like British Literature (Student) James Stobaugh, 2012-11-30

From reformers and rogues to poets and playwrights a study of British literature will take you through some of the most popular works ever written This curriculum uses a strong biblical worldview to teach students about literary masterpieces from the British literary canon and their historical context In this comprehensive examination of British literature students critical thinking abilities communication skills and knowledge of literary classics are all amply developed This course also stresses biblical application and equips students to think critically about philosophy and trends in culture Through studying and writing about literature students will greatly enhance their own personal communication skills 1 Year Curriculum 10th 12th Grade 1 Credit

Faust through Four Centuries - Vierhundert Jahre Faust Peter Boerner, Sidney Johnson, 2013-03-12 No detailed description available for Faust through Four Centuries Vierhundert Jahre Faust **The Anatomy of Drama (Routledge Revivals)** Marjorie Boulton, 2014-06-17 This title first published in 1960 is intended primarily to increase the understanding of drama among those who do not have easy access to the live theatre and who therefore study plays mainly in print The author's emphasis is on Shakespeare but most forms of drama receive some attention A lucid and lively study of the techniques of plot dialogue and characterization will help the reader to a deeper appreciation of the problems and successes of the dramatist
