Martial A Social Guide

Scott McGill

Martial A Social Guide:

Martial Art L. Spisak, 2015-03-02 In the past both the significance and purpose of Martial's poetry have often been misinterpreted or missed altogether because of the particular literary and social background and context that inform his poetry. For example, literary histories have given the impression that Martial wrote unobjectionably trivial poems merely to cull favour from patrons; they also suggest that he had little to say that was serious. In contrast, this book argues that Martial, with his poetry, played a serious and vital role in his community as a social guide or conscience. The book's unique approach to Martial's poetry places him within the reactionary tradition of Indo-European blame-praise poetry. Poets in this tradition served a vital function for their community in reaction to the perceived deterioration of the behaviour and conditions of their day: they either praised ideal behaviour or more commonly ridiculed socially aberrant and destructive behaviour. By linking Martial with this particular tradition, we are better able to account for, understand, and appreciate his themes and methods and the effect of his poetry.

Expurgating the Classics Stephen Harrison, Christopher Stray, 2012-08-16 The first collection on expurgation in the Classics exploring the strategies used to deal with obscene and other textual material in conflict with post-classical values.

The Oxford History of Classical Reception in English Literature Patrick Cheney, Philip Hardie, 2015-10-29 The Oxford History of Classical Reception (OHCREL) is designed to offer a comprehensive investigation of the numerous and diverse ways in which literary texts of the classical world have stimulated responses and refashioning by English writers. Covering the full range of English literature from the early Middle Ages to the present day, OHCREL both synthesizes existing scholarship and presents cutting-edge new research, employing an international team of expert contributors for each of the five volumes. OHCREL endeavours to interrogate rather than inertly reiterate conventional assumptions about literary periods, the processes of canon formation, and the relations between literary and non-literary discourse. It conceives of reception as a complex process of dialogic exchange and, rather than offering large cultural generalizations, it engages in close critical analysis of literary texts. It explores in detail the ways in which English writers' engagement with classical literature casts as much light on the classical originals as it does on the English writers' own cultural context. This second volume covers the years 1558-1660 and explores the reception of the ancient genres and authors in English Renaissance literature, engaging with the major and many of the minor writers of the period, including Shakespeare, Marlowe, Spenser, and Jonson. Separate chapters examine the Renaissance institutions and contexts which shape the reception of antiquity, and an annotated bibliography provides substantial material for further reading.

Sex and the Ancient City Andreas Serafim, George Kazantzidis, Kyriakos Demetriou, 2022-05-09 This volume aims to revisit, further explore, and tease out the textual but also non-textual sources in an attempt to reconstruct a clearer picture of a particular aspect of sexuality, i.e. sexual practices in Greco-Roman antiquity. Sexual practices refers to a part of the overarching notion of sexuality, specifically the acts of sexual intercourse, the erogenous capacities and genital functions of male and female body, and any

other physical or biological actions that define one's sexual identity or orientation. This volume aims to approach not simply the acts of sexual intercourse themselves but also their legal, social, political, religious, medical, cultural, moral, and interdisciplinary e.g. emotional, performative perspectives as manifested in a range of both textual and non-textual evidence i.e. architecture, iconography, epigraphy etc. The insights taken from the contributions to this volume would enable researchers across a range of disciplines e.g. sex/gender studies, comparative literature, psychology, and cognitive neuroscience to use theoretical perspectives, methodologies, and conceptual tools to frame the sprawling examination of aspects of sexuality in broad terms or sexual practices in particular.

The Oxford History of Classical Reception in English Literature David Hopkins, Charles Martindale, Norman Vance, Rita Copeland, Patrick Cheney, Philip R. Hardie, Jennifer Wallace, 2012. The Oxford History of Classical Reception (OHCREL) is designed to offer a comprehensive investigation of the numerous and diverse ways in which literary texts of the classical world have stimulated responses and refashioning by English writers. Covering the full range of English literature from the early Middle Ages to the present day, OHCREL both synthesizes existing scholarship and presents cutting-edge new research employing an international team of expert contributors for each of the five volumes. OHCREL endeavours to interrogate rather than inertly reiterate conventional assumptions about literary periods, the processes of canon formation, and the relations between literary and non-literary discourse. It conceives of reception as a complex process of dialogic exchange and rather than offering large cultural generalizations, it engages in close critical analysis of literary texts. It explores in detail the ways in which English writers' engagement with classical literature casts as much light on the classical originals as it does on the English writers' own cultural context. This second volume and third to appear in the series covers the years 1558-1660 and explores the reception of the ancient genres and authors in English Renaissance literature, engaging with the major and many of the minor writers of the period, including Shakespeare, Marlowe, Spenser, and Jonson. Separate chapters examine the Renaissance institutions and contexts which shape the reception of antiquity, and an annotated bibliography provides substantial material for further reading.

Concepts and Functions of Philhellenism Martin Vöhler, Stella Alekou, Miltos Pechlivanos, 2021-01-18. Key aspects of philhellenism: political self-determination, freedom, beauty, individual greatness originate in antiquity and present a complex reception history. The force of European philhellenism derives from ancient Roman idealizations which have been drawn on by European movements since the Enlightenment. How is philhellenism able to transcend national, cultural, and epochal limits? The articles collected in this volume deal with 1. the ancient conceptualization of philhellenism, 2. the actualization and politicization of the term at the time of the European Restoration, 1815-30, and 3. the transformation of philhellenism into a pan-European movement. During the Greek struggle for independence, the different receptions of philhellenism regain a common focus: philhellenism becomes an inextricable element in the creation of a pan-European identity and a starting point for the regeneration and modernization of Greece. It is easy to criticize the tradition of philhellenism as being simplistic, naïve, and self-serving, but

there is an irreducibly utopian element in later philhellenic idealizations of ancient Greece *Christ the Ideal King* Julien Smith, 2011 A central rhetorical strategy of Ephesians involves the portrayal of Christ as an ideal king who reunites a fractured cosmos and humanity through his reign In this comprehensive study Julien Smith shows how this literary characterization unifies the letter's major themes reconciling humanity with God uniting Jew and gentile establishing ecclesiastical harmony and defeating hostile powers arrayed against the church The author grounds his analysis in a thorough account of the kingly ideal's powerful contemporary cultural resonance which was rooted in the widespread yearning within both Greco Roman and Jewish thought for a golden age inaugurated by a divinely ordained monarch For Ephesians author and audience only Christ the ideal king has power to form identity and transform behavior **Plagiarism in Latin Literature** Scott McGill, 2012-07-05 A study of the concept of plagiarism in Rome and the functions that accusations and denials had in Roman culture **Law and Enforcement in Ptolemaic Egypt** John Bauschatz, 2013-10-14 This book investigates the law enforcement system of Ptolemaic Egypt 323-30 BC **Rome, Ostia, Pompeii: Movement and Space.** Ray Laurence, David J. Newsome, 2011-11-24 Rome Ostia Pompeii Movement and Space demonstrates how studies of the Roman city are shifting focus from static architecture to activities and motion within urban spaces This volume provides detailed case studies from the three best known cities from Roman Italy revealing how movement contributes to our understanding of the ways different elements of society interacted in space and how the movement of people and materials shaped urban development The chapters in this book examine the impressions left by the movement of people and vehicles as indentations in the archaeological and historical record and as impressions upon the Roman urban consciousness Through a broad range of historical issues this volume studies movement as it is found at the city gate in public squares and on the street and as it is represented in texts Its broad objective is to make movement meaningful for understanding the economic cultural political religious and infrastructural behaviours that produced different types and rhythms of interaction in the Roman city This volume's interdisciplinary approach will inform the understanding of the city in classics ancient history archaeology and architectural history as well as cultural studies town planning urban geography and sociology A Companion to the Flavian Age of Imperial Rome Andrew Zissos, 2016-03-07 A Companion to the Flavian Age of Imperial Rome provides a systematic and comprehensive examination of the political economic social and cultural nuances of the Flavian Age 69-96 CE Includes contributions from over two dozen Classical Studies scholars organized into six thematic sections Illustrates how economic social and cultural forces interacted to create a variety of social worlds within a composite Roman empire Concludes with a series of appendices that provide detailed chronological and demographic information and an extensive glossary of terms Examines the Flavian Age more broadly and inclusively than ever before incorporating coverage of often neglected groups such as women and non Romans within the Empire **The Rough Guide to the Philippines (Travel Guide eBook)** Rough Guides, 2017-10-05 Explore the Philippines with the smartest and most insightful ebook on the

market Written with Rough Guides trademark mix of honesty wit and practical advice this fully updated stunningly illustrated travel guide brings you comprehensive coverage of all the country s unmissable experiences Rough Guides authors have visited every corner of this vast archipelago and whether you re diving in the turquoise waters off Palawan exploring the iconic Chocolate hills on Bohol or climbing volcanic Mount Pinatubo this new edition of The Rough Guide to the Philippines will show you the best places to sleep eat drink shop and party along the way with options to suit every budget The guide is packed with colour coded maps and easy to follow transport advice to help navigate your way from one spectacular island to the next Make the most of your trip with The Rough Guide to the Philippines Corruption in the Graeco-Roman World

Filippo Carlà-Uhink,Eike Faber,2024-12-16 Defining corruption is an incredibly difficult task Being at the same time a concept identifying illegitimate and illegal behaviors mostly connected to positions of power and a word indicating a process of moral degeneration corruption is hard to tackle and disentangle especially when one considers how it is perceived and discussed in public discourse As deviance from the norm corruption shifts continuously different cultures recognize different kinds of behavior as corrupt Nonetheless earlier studies on corruption in Greek and Roman antiquity have often tried to define which periods were more or less corrupt or how corruption influenced the demise of political orders for example in the late Roman republic or in late antiquity This volume develops a different approach focusing on the ways in which ancient sources literary texts papyri laws etc have understood and defined corruption to gain an emic perspective of corruption in different moments and contexts of Graeco Roman Antiquity The volume thus provides an innovative and comprehensive perspective on corruption and anti corruption in Greek and Roman antiquity thus providing relevant tools also for today s discussions about a topic which is and was always current Writing Politics in Imperial Rome W.J. Dominik,J.

Garthwaite,P.A. Roche,2009-05-15 Roman literature is inherently political in the varied contexts of its production and the abiding concerns of its subject matter This collection examines the strategies and techniques of political writing at Rome in a broad range of literature spanning almost two centuries differing political systems climates and contexts It applies a definition of politics that is more in keeping with modern critical approaches than has often been the case in studies of the political literature of classical antiquity By applying a wide variety of critically informed viewpoints this volume offers the reader not only a long view of the abiding techniques strategies and concerns of political expression at Rome but also many new perspectives on individual authors of the early empire and their republican precursors The Rough Guide to the Philippines David Dalton,Stephen Keeling,2013-10-10 The Rough Guide to the Philippines is the ultimate companion for exploring this stunning Southeast Asian archipelago Discover the Philippines highlights in full colour with information on everything from the sun kissed islands of the Visayas to the lagoons of Palawan and the tribal villages of the northern Cordilleras This revised 3rd edition includes detailed listings and essential information on where to stay regardless of budget where to eat the best Filipino food where to see the most exuberant festivals and the best places to drink dance surf trek

kayak and sail You ll find updated in depth coverage of major destinations and new details on emerging destinations in Mindanao The Rough Guide to the Philippines offers an informative background on Filipino history culture society music and politics and comes with new maps and plans for every area to make sure you don t miss the unmissable Originally published in print in 2011 Make the most of your holiday with The Rough Guide to the Philippines Now available in Kindle format

Domitian's Rome and the Augustan Legacy Raymond Marks,Marcello Mogetta,2021-09-21 Combines material and literary cultural approaches to the study of the reception of Augustus and his age during the reign of the emperor Domitian

Architectural Restoration and Heritage in Imperial Rome Christopher Siwicki,2020 Challenging the idea that heritage is a purely modern phenomenon this volume addresses how historic buildings were treated in Imperial Rome examining the way in which the ancients restored the monuments they inherited from earlier generations and developing our understanding of the Roman concept of built heritage Gift and Gain Neil Coffee,2017 Gift and Gain How Money

Transformed Ancient Rome shows how over the course of Rome s classical era a vibrant commercial culture progressively displaced traditional systems of gift giving that had long been central to Rome s material social and political economy with effects on areas of life from marriage to politics **A Practical Guide to Promoting Social Participation in Seniors**

Teoh Gaik Kin,Tan Maw Pin,Chong Mei Chan,2019-06-17 This volume represents an instruction manual for community workers and academic researchers wishing to conduct community based participatory action research The principles and experience described here will also be useful for any individual from charitable bodies government agencies and academic institutions desiring to work with older communities in ensuring that they are able to start on the right footing The contents of this book are applicable to all countries worldwide while also providing much needed contributions to such work in older communities in lower to middle income countries Ritual and the Poetics of Closure in Flavian Literature

Angeliki-Nektaria Roumpou,2023-08-07 This collection of papers responds to the question of whether a ritual at the end of a text can offer resolution and order or rather a complicated kind of closure It reveals that ritual can bring but also can thwart closure by alluding to new beginnings A ritual could be a perfect kind of ending but it hardly ever seems to be In Flavian literature this is even more apparent because of the complicated political background under which these texts were produced Ancient religious practices in the closing sections of Flavian texts help us create connections between endings and new beginnings order and disorder binding and loosening structure and dissolution which reflects the structure of the Empire in Flavian Rome Overall this volume offers a new tool for studying literary endings through ritual which promotes our understanding of Flavian culture and politics as well as creating a new perception of the use of religion and ritual in Flavian literature instead of giving a sense of closure this volume argues that ritual is a medium to increase complexity to expose ritual actors and to project a generic riskiness of ritual actors also onto the epic actors who are acting before and mostly after a ritual scene

This is likewise one of the factors by obtaining the soft documents of this **Martial A Social Guide** by online. You might not require more epoch to spend to go to the books foundation as competently as search for them. In some cases, you likewise accomplish not discover the statement Martial A Social Guide that you are looking for. It will certainly squander the time.

However below, in the manner of you visit this web page, it will be appropriately extremely simple to get as competently as download lead Martial A Social Guide

It will not give a positive response many mature as we tell before. You can do it while act out something else at house and even in your workplace. so easy! So, are you question? Just exercise just what we give under as well as review **Martial A Social Guide** what you in the same way as to read!
