Concrete Mama John A. McCoy,2018-10-16 Journalists John McCoy and Ethan Hoffman spent four months inside the walls of the Washington State Penitentiary at Walla Walla in 1978 just as Washington once a leader in prison reform abandoned its focus on reform and rehabilitation and returned to cell time and punishment It was a brutal transition McCoy and Hoffman roamed the maximum security compound almost at will observing and befriending prisoners and guards The result is a striking depiction of a community in which there was little to do much to fear and a culture that both mimicked and scorned the outside world McCoy s unadorned prose and Hoffman s stunning black and white photographs offer as authentic a portrayal of life in the Big House as outsiders are ever likely to experience Originally published in 1981 Concrete Mama revealed a previously unseen stark and complex world of life on the inside for which it won the Washington State Book Award Long unavailable yet still relevant it is revitalized in a second edition with an introduction by scholar Dan Berger that provides historical context for the book s ongoing resonance along with several previously unpublished photographs
