Muslim Names Adam Marlow, The Prophet Muhammad peace and blessings of Allah be upon him always taught his followers that people should always be given names with good meanings so they could take on their attributes and grow into the name. Not only being a representative for him or herself but for the rest of the Muslim Ummah. Because of this the Prophet peace and blessings of Allah be upon him disliked names with no or bad meanings and told people to avoid them. Whether you are a revert, a parent or just someone that is curious about other names, this book could determine who you or someone you know will grow into. Inshallah! A person's name is one of the most important gifts a parent can bestow on someone. Toys, clothes and books will eventually fade away in time but a person's name shall remain forever inshallah! The editors searched around and we have been unable to find a larger compendium of Muslim names anywhere. In print or in ebook for the English speaking reader. We pray that this book reaches you all in good health and Iman.
