Epitaph For A Spy:

Epitaph for a Spy Eric Ambler, 2008-12-10 When Josef Vadassy arrives at the Hotel de la Reserve at the end of his Riviera holiday he is simply looking forward to a few more days of relaxation before returning to Paris But in St Gatien on the eve of World War II everyone is suspect the American brother and sister the expatriate Brits and the German gentleman traveling under at least one assumed name When the film he drops off at the chemist reveals photographs he has not taken Vadassy finds himself the object of intense suspicion The result is anything but the rest he had been hoping for **Epitaph for a spy** Eric Ambler, 1970 *Epitaph for a spy* Eric Ambler, 1948 **The Art of Indirection in British Espionage Fiction** Robert Lance Snyder, 2011-07-25 In contrast to the classical detective story the spy novel tends to be considered a suspect somewhat subversive genre While previous studies have focused on its historical thematic and ideological dimensions this critical work examines British espionage fiction s unique narrative form which is typically elliptical oblique and recursive Featured works include eighteen novels by Eric Ambler Graham Greene Len Deighton John le Carre Stella Rimington and Charles Cumming most of which exemplify the existential or serious spy thriller Half of these texts pertain to the Cold War era and the other half to its aftermath in the so called Age of Terrorism **Neutral Ground** Brett F. Woods, 2008 *Neutral Ground* A Political History of Espionage Fiction takes the reader behind the fiction and explores the real world political military and diplomatic events that have consistently and significantly threaded their way through the fabric of the genre Against this historical timeline it examines how numerous authors including Rudyard Kipling Somerset Maugham Graham Greene and John le Carre have engaged reality in order to write the espionage novels that have become literary classics and in selected cases have also served to alter the course of government policy From publisher s description **Alarms and Epitaphs** Peter Wolfe, 1993 Examines both the differences and the continuity between the early and late work of American thriller writer Ambler and considers the five novels published under the name Eliot Reed that he wrote with Australian writer Charles Rodda Paper edition unseen 15 95 Annotation copyright by Book News Inc Portland OR *In All Sincerity, Peter Cushing* Christopher Gullo, 2004-08-05 *In All Sincerity* Peter Cushing by Christopher Gullo with a foreword by Peter Sasdy *In All Sincerity* Peter Cushing is a new book examining the career of the gentle man of horror In a career spanning six decades and many mediums including film television theatre radio and writing Peter Cushing has been hailed as a consummate actor who was loved by both fans and co workers alike Whether through his early days touring with Laurence Olivier becoming Englands first television star recreating the characters of Baron Frankenstein and Abraham Van Helsing for Hammer Films or appearing in Star Wars the most famous science fiction film ever produced Peter Cushing exemplified dignity preparedness and dedication to his craft Four years in the making *In All Sincerity* Peter Cushing breaks down the actors career into decades from his very beginnings in local theatre his stint in Hollywood and his rise to fame as the king of horror and beyond Over eighty actors actresses and directors have contributed to the book including Val Guest Robert Quarry Francis Matthews Brian Cox Forrest

J Ackerman Yvonne Monlaur Mark Hamill John Carpenter Ted Newsom Caroline Munro and the late Sir Nigel Hawthorne Featuring dozens of pictures In All Sincerity Peter Cushing includes some rare candid and never before published photos of Peter Cushing on the sets of The Curse of Frankenstein The Gorgon The Skull Frankenstein Created Woman and Tendre Dracula at leisure indulging in his love of painting the 1975 Famous Monsters convention and the 1992 opening of Cushings View Also featured is a dedication from his life long love Helen Beck six months before their marriage In All Sincerity Peter Cushing offers fans a personal look at a truly talented man Author Christopher Gullo has been a life long admirer of actor Peter Cushing He has spent the last four years collecting rare materials and conducting interviews with Cushings co workers for his research on the book In the beginning of 2000 he took over the running of The Peter Cushing Association a club for all fans of the great actor which was created under the guidance of Peter Cushings former secretary Joyce Broughton YOU COULD OWN A GENUINE PIECE OF PETER CUSHING MEMORABILIA Author Christopher Gullo is offering all fans who order the book and e mail him at cgullo.juno.com including their name mailing address and e mail address the chance to win an actual letter written by Peter Cushing to the BBC in 1986 It is on a piece of Mr Cushings official stationery written on both sides and signed by him All names and addresses will be kept on file and at the time of the books publication will be entered into a draw the first one drawn will win Peter Cushings letter The 1930s: A Decade of Modern British Fiction Nick Hubble, Luke Seaber, Elinor Taylor, 2021-01-14 With austerity biting hard and fascism on the march at home and abroad the Britain of the 1930s grappled with many problems familiar to us today Moving beyond the traditional focus on the Auden generation this book surveys the literature of the period in all its diversity from working class women queer and postcolonial writers to popular crime and thriller novels In this way the book explores the uneven processes of modernization and cultural democratization that characterized the decade A major critical re evaluation of the decade the book covers such writers as Eric Ambler Mulk Raj Anand Katharine Burdekin Agatha Christie Lewis Grassie Gibbon Christopher Isherwood Storm Jameson Ethel Mannin Naomi Mitchison George Orwell Christina Stead Evelyn Waugh and many others Here Lies Eric Ambler, 2023-10-03 In his Edgar Award winning autobiography the father of the modern crime thriller reveals the eventful life that inspired his classic works Crime Reads Eric Ambler s Here Lies invites readers inside the mind of one of the twentieth century s greatest thriller writers In this work the famously recalcitrant author peels back the layers of experience that affected his life with the same skill he uses to unfold the plots of his novels Ambler candidly describes his South London childhood his brief engineering career which he gave up to work in theater and his time as an advertising copywriter He details the publication of his revolutionary spy novels in the 1930s and 40s including such early classics as A Coffin for Dimitrios and Journey into Fear He also tells of his service in the film division of the British War Office during World War II which allowed him to write his first screenplays and his postwar renown as the leading writer in the genre on both sides of the Atlantic Eric Ambler's Novels Robert Lance Snyder, 2019-12-30 Eric Ambler s first six novels released between 1936

and 1940 quickly established his reputation as a master craftsman of intrigue and espionage narratives Far less often discussed are the twelve Cold War novels he published after an eleven year hiatus as a screenwriter between 1951 and 1981 This study argues that his entire corpus manifests late modernism's impulse toward a broadly social political and cultural critique of the times Ambler's fiction from the mid 1950s onward is also remarkable for its ludic turn as he assesses the self deceptions of an increasingly bureaucratized and media focused world blind to its own follies In these later works can be seen elements of what has come to be known as postmodernism though in his commitment to chronicling the juggernaut of modernity he remains a uniquely independent witness of what is now being called the long twentieth century

Fantasies of the Master Race Ward Churchill,1998 Chosen an Outstanding Book on the Subject of Human Rights in the United States by the Gustavus Myers Center for the Study of Human Rights In this volume of incisive essays Ward Churchill looks at representations of American Indians in literature and film delineating a history of cultural propaganda that has served to support the continued colonization of Native America During each phase of the genocide of American Indians the media has played a critical role in creating easily digestible stereotypes of Indians for popular consumption Literature about Indians was first written and published in order to provoke and sanctify warfare against them Later the focus changed to enlisting public support for civilizing the savages stripping them of their culture and assimilating them into the dominant society Now in the final stages of cultural genocide it is the appropriation and stereotyping of Native culture that establishes control over knowledge and truth The primary means by which this is accomplished is through the powerful publishing and film industries Whether they are the tragically doomed noble savages walking into the sunset of *Dances With Wolves* or Carlos Castaneda's Don Juan the exotic mythical Indians constitute no threat to the established order Literature and art crafted by the dominant culture are an insidious political force disinforming people who might otherwise develop a clearer understanding of indigenous struggles for justice and freedom This book is offered to counter that deception and to move people to take action on issues confronting American Indians today **The Edward G. Robinson Encyclopedia** Robert Beck,2015-09-16
