MEMORANDUM FOR Mr. Kit Daniels
Infowars
P.O. Box 19549
Austin, TX 78760

FROM: 502 ABW/OC
2080 Wilson Way
JBSA-Fort Sam Houston TX 78234-7680

SUBJECT: Notification of Debarment Action

1. On June 12, 2014, you entered Joint Base San Antonio-Lackland, Texas, without authorization to take photographs and make a broadcast. You did this after being specifically informed by the installation Public Affairs Office (PAO) that the facility you wished to film already had a media day, which you failed to attend. Furthermore, you were told that the PAO could only authorize your entrance if there was an approved and scheduled media event. The PAO specifically confirmed for you that the facility you wished to visit was not having a media event at that time and, therefore, entrance onto the installation was not authorized. Despite this information and direct instruction, you circumvented proper installation access procedures and gained unauthorized access to a secure military installation to engage in unauthorized photography and broadcast.
2. It has been determined that your actions are detrimental to the maintenance of good order and discipline, as well as to the safety and security of the installation. You are hereby put on notice that should you make unauthorized entry into any of the Joint Base San Antonio (JBSA) installations in the future, a debarment order will be issued and you will be prohibited from entering JBSA-Lackland, Randolph, Fort Sam Houston, Camp Bullis and all annexes and leaseback facilities from that point forward for a defined period of time. Should such a debarment order be promulgated, any entrance onto a JBSA installation, to include any of the aforementioned areas, will subject you to detention by security personnel for delivery to the appropriate civilian or military authorities.
3. If you fail to comply with a debarment order, you will be subject to prosecution under Title 18 of the U. S. Code, Section 1382, Entering Military, Naval or Coast Guard Property, which states: "Whoever, within the jurisdiction of the United States, goes upon any Military, Naval or Coast Guard reservation, post, fort, arsenal, yard, station or installation, for any purpose prohibited by law or lawful regulation; or, whoever reenters or is found within any such reservation, post, fort, arsenal, yard, station or installation after having been removed there from, or ordered not to reenter by any officer or person in command or charge thereof, shall be fined not more than [\$5,000.00] or imprisoned not more than six months, or both" [as amended by 18 U.S.C. § 3571(b)(6)].

The Hockey Stick Principles Bobby Martin, 2016-05-24 In The Hockey Stick Principles author Bobby Martin shifts his focus away from all the hype about rapid growth and the pursuit of funding and instead takes a look at the real process behind getting a good idea off the ground Many business books fuel unrealistic notions about what a good idea looks like how fast a founder should attract investment and how quickly growth will take off The problem with this mythology is that it can sometimes end with entrepreneurs abandoning their dreams too soon if they don t see immediate results Using a hockey stick as a metaphor and highlighting four key phases Martin shows the healthy way a business should grow and uses entertaining stories and interviews with successful entrepreneurs like the founders of LendingTree Under Armour and iContact woven throughout the book to not only share a wealth of advice but to chronicle the ins and outs of these different phases The Tinkering Period The tip of the stick or the time when you first develop and hone your idea The Blade Years The formative years when growth can be flat and navigating the unpredictable process of creating a company can be rocky The Inflection Point The crucial point in time right before your business takes off when it s important for

entrepreneurs to prepare and make decisions to properly manage rapid growth Surging Growth Once your company proves that they have potential you need to optimize that growth and scale up in a sensible way Innovation almost always involves a number of challenges misdirections and uncertainty and can take several years of struggle But The Hockey Stick Principles gives aspiring entrepreneurs and those in the midst of the messy process a realistic human and inspiring understanding of what starting an innovative business is like while teaching you what to look out for along the way as you shepherd your business through to success

Indefensible Paul Holden, 2016-09-15 Although there is often opposition to individual wars most people continue to believe that the arms industry is necessary in some form to safeguard our security provide jobs and stimulate the economy Not only conservatives but many progressives and liberals support it for these reasons Indefensible puts forward a devastating challenge to this conventional wisdom which has normalised the existence of the most savage weapons of mass destruction ever known It is the essential handbook for those who want to debunk the arguments of the industry and its supporters deploying case studies statistics and irrefutable evidence to demonstrate they are fundamentally flawed both factually and logically Far from protecting us the book shows how the arms trade undermines our security by fanning the flames of war terrorism and global instability In countering these myths the book points to ways in which we can combat the arms trade s malignant influence reclaim our democracies and reshape our economies

Central Asia in the Era of Sovereignty Daniel L. Burghart, Theresa Sabonis-Helf, 2018-03-16 After twenty five years of independence there is little doubt that the five Central Asian states will persist as sovereign independent states They increasingly differ from each other and are making their way in global politics No longer connected only to Russia they are now connected in important ways to Afghanistan South Asia China Iran and each other This volume covers a wide range of issues and presents the work of emerging scholars authors well known for their expertise in the region The first part addresses social issues Covering a wide range from HIV AIDs to social media the rebirth of Islam outmigration and problematic borders this section follows two main currents political development in the region and states responses to transboundary challenges The second part addressing economics and security provides analyses of new infrastructure informal economies from bazaars to criminal networks energy development the role of enclaves in the Ferghana Valley and the development of the states military structures This section illuminates the interactions between economic developments and security and the forces that could undermine both The final part comprised of five case studies offers a deeper dive into a specific factor that matters in the development of each Central Asian state These cases include Kazakhstan s foreign policy identity Kyrgyzstan s domestic politics Tajikistan s pursuit of hydropower foreign direct investment in Turkmenistan and the perception of everyday corruption in Uzbekistan

China and Eurasian Powers in a Multipolar World Order 2.0 Mher Sahakyan, 2023-03-31 This book argues that the world order is no longer unipolar and the war in Ukraine proves this fact As this study describes and theorizes it has been transformed into a Multipolar World Order 2.0 stage This title critically examines Chinese US Russian EU Indian and a

number of other powers cooperation and competition over security diplomatic economic and cyberspace issues Accomplished scholars from various regions of the Eurasian continent consider the impact of the Russo Ukrainian war the Sino Russian strategic partnership China s relations with the United States and the European Union the influence of the Belt and Road Initiative the expansion of the Shanghai Cooperation Organization and Eurasian Economic Union China s policies in the Middle East Central Asia Indo Asia Pacific the South Caucasus Central and Eastern Europe as well as focus on details of growing contradictions and collaboration in the Eurasian continent over markets technologies digital leadership vaccine distribution and financial institutions in the Era of Multipolar World Order 2 0 Showing that the US centred unipolar world order is replaced by Multipolar World Order 2 0 where conflicting powers fight to keep or extend their spheres of influence this volume is of great interest to decision makers diplomats scholars and students of international relations politics global governance Eurasian studies Chinese studies cybersecurity and economics and for those studying human security international organizations and geopolitics [OECD Investment Policy Reviews: Ukraine 2016](#) OECD,2016-09-27 This review which was prepared in close co operation with the Ukrainian authorities analyses Ukraine s general framework for investment as well as recent reforms and shows where further efforts are necessary [The Future of the Professions](#) Richard Susskind,Daniel Susskind,2022-03-31 This book predicts the decline of today s professions and introduces the people and systems that will replace them In an internet enhanced society according to Richard Susskind and Daniel Susskind we will neither need nor want doctors teachers accountants architects the clergy consultants lawyers and many others to work as they did in the 20th century The Future of the Professions explains how increasingly capable technologies from telepresence to artificial intelligence will place the practical expertise of the finest specialists at the fingertips of everyone often at no or low cost and without face to face interaction The authors challenge the grand bargain the arrangement that grants various monopolies to today s professionals They argue that our current professions are antiquated opaque and no longer affordable and that the expertise of their best is enjoyed only by a few In their place they propose five new models for producing and distributing expertise in society The book raises profound policy issues not least about employment they envisage a new generation of open collared workers and about control over online expertise they warn of new gatekeepers in an era when machines become more capable than human beings at most tasks With a new preface exploring recent critical developments this updated edition builds on the authors groundbreaking research into more than a dozen professions Illustrated with numerous examples from each this is the first book to assess and question the relevance of the professions in the 21st century **Ireland and the Magdalene Laundries** Claire McGettrick,Katherine O'Donnell,Maeve O'Rourke,James M. Smith,Mari Steed,2021-08-12 Between 1922 and 1996 over 10 000 girls and women were imprisoned in Magdalene Laundries including those considered promiscuous a burden to their families or the state those who had been sexually abused or raised in the care of the Church and State and unmarried mothers These girls and women were subjected to forced labour

as well as psychological and physical maltreatment Using the Irish State's own report into the Magdalene institutions as well as testimonies from survivors and independent witnesses this book gives a detailed account of life behind the high walls of Ireland's Magdalene institutions The book offers an overview of the social cultural and political contexts of institutional survivor activism the Irish State's response culminating in the McAleese Report and the formation of the Justice for Magdalenes campaign a volunteer run survivor advocacy group Ireland and the Magdalene Laundries documents the ongoing work carried out by the Justice for Magdalenes group in advancing public knowledge and research into Magdalene Laundries and how the Irish State continues to evade its responsibilities not just to survivors of the Magdalenes but also in providing a truthful account of what happened Drawing from a variety of primary sources this book reveals the fundamental flaws in the state's investigation and how the treatment of the burials exhumation and cremation of former Magdalene women remains a deeply troubling issue today emblematic of the system of torture and studious official neglect in which the Magdalene women lived their lives The Authors are donating all royalties in the name of the women who were held in the Magdalenes to EPIC Empowering People in Care

Too Few Women at the Top Kumiko Nemoto, 2016-09-15 The number of women in positions of power and authority in Japanese companies has remained small despite the increase in the number of educated women and the passage of legislation on gender equality In *Too Few Women at the Top* Kumiko Nemoto draws on theoretical insights regarding Japan's coordinated capitalism and institutional stasis to challenge claims that the surge in women's education and employment will logically lead to the decline of gender inequality and eventually improve women's status in the Japanese workplace Nemoto's interviews with diverse groups of workers at three Japanese financial companies and two

cosmetics companies in Tokyo reveal the persistence of vertical sex segregation as a cost saving measure by Japanese companies Women s advancement is impeded by customs including seniority pay and promotion track based hiring of women long working hours and the absence of women leaders Nemoto contends that an improvement in gender equality in the corporate system will require that Japan fundamentally depart from its postwar methods of business management Only when the static labor market is revitalized through adoption of new systems of cost savings employee hiring and rewards will Japanese women advance in their chosen professions Comparison with the situation in the United States makes the author s analysis of the Japanese case relevant for understanding the dynamics of the glass ceiling in U S workplaces as well

Constructing Leadership 4.0 Richard Kelly,2018-11-27 The Fourth Industrial Revolution signals a sea change in the way we lead our organisations Moving away from relational leadership and horizontal organisationally led development it is imperative that business leaders are able to adapt to more networked organisations and shift away from dated assumptions of positional power Constructing Leadership 4 0 breaks new ground by explaining the urgent challenges facing managers and business leaders It will teach you how to Approach leadership development as a system rather than a programme Develop an organisational ecosystem to support leadership 4 0 Build collaborative networks Cultivate a responsive mindset through sensemaking Use non classroom based learning methodologies for educating leaders Rooted in leadership development methodology and underpinned by cutting edge research this book calls for businesses to cultivate responsive leaders through a theory of connectivism and swarm intelligence that reflects the coming cybernetic revolution

Environmental Accounting and Reporting Maria-Gabriella Baldarelli,Mara Del Baldo,Ninel Nesheva-Kiosseva,2017-04-05 This book discusses the foundations of social and environmental accounting and highlights local differences in countries like Italy and Bulgaria It also describes the institutional environment which affects the development and application of environmental accounting and reporting as a basis for evaluating current achievements and the future steps that need to be taken to develop and spread environmental accounting The book is unique in presenting exemplary cases from different emerging and developed countries It is a valuable resource for theorists in the field practitioners in companies as well as investors and other stakeholders Moreover it provides students with the necessary theoretical constructs empirical studies as well as practical and managerial tools to allow for a quick orientation in the methodology techniques and selected practices used in environmental accounting and reporting Investment Treaties and the Rule of Law Promise N. Jansen Calamita,Ayelet Berman,2022-10-06 Investment treaties are said to improve the rule of law in the states which enter into them Fearing claims governments will internalise international investment obligations into their decision making processes resulting in positive spill over effects on the rule of law Such arguments have never been backed by empirical research This book presents an analytical framework for thinking about the internalisation of international commitments in governmental decision making that takes account of the complexities of governance In so doing

it provides a typology of processes whereby international treaty obligations may be internalised by governments and identifies factors which may affect whether and to what extent international commitments are internalised in governmental decision making This framework serves as the background for the main body of the book in which empirical case studies address whether and how a select group of governments in Asia internalise international investment treaty obligations in their decision making

Wonder Boy Angel Au-Yeung, David Jeans, 2023-04-25 A Financial Times best business book of 2023 In 1998 at the age of 24 Tony Hsieh sold his first company to Microsoft for 265 million In 2009 at the age of 35 he sold his e commerce company Zappos to Amazon for 1.2 billion In 2020 at the age of 46 he died Tony Hsieh revolutionized both the tech world and corporate culture He was a business visionary He was also a man in search of happiness So why did it all go so wrong Tony Hsieh's first successful venture was in middle school selling personalized buttons At Harvard he made a profit compiling and selling study guides From there he went on to build the billion dollar online shoe empire of Zappos The secret to his success Making his employees happy At its peak Zappos's employee friendly culture was so famous across the tech industry that it inspired copycats and earned a cult following Then Hsieh moved the Zappos headquarters to Las Vegas where he personally funded a nine figure campaign to revitalize the city's historic downtown area But as Hsieh fell deeper into his struggles with mental health and drug addiction the people making up his inner circle began changing from friends to enablers Drawing on hundreds of interviews with a wide range of people whose lives Hsieh touched journalists Angel Au Yeung and David Jeans craft a rich portrait of a man who was plagued by his eternal search for happiness and ultimately succumbed to his own demons
