*Historical Working Papers on the Economic Stabilization Program, August 15, 1971, to April 30, 1974* United States. Treasury Dept. Office of Economic Stabilization,1974      **Historical Working Papers on the Economic Stabilization Program, August 15, 1971 to April 30, 1974** United States. Department of the Treasury. Office of Economic Stabilization,1974 USA Compilation of historical working papers on the economic stabilization programme and its associated wage policy controls and price controls etc Includes references and statistical tables      *Historical Working Papers on the Economic Stabilization Program* United States. Department of the Treasury,1974      **World Hunger And The World Economy** Keith Griffin,1987-07-14 Written in a style that makes it accessible to everyone interested in development studies not just to economists the focus of this collection of essays is on hunger poverty and inequality Much of the content of the book is based on the author s first hand experience in for example Ethiopia and China and his views on foreign aid and the debt crisis will make controversial and provocative reading      **American Gandhi** Leilah Danielson,2014-09-25 When Abraham Johannes Muste died in 1967 newspapers throughout the world referred to him as the American Gandhi Best known for his role in the labor movement of the 1930s and his leadership of the peace movement in the postwar era Muste was one of the most charismatic figures of the American left in his time Had he written the story of his life it would also have been the story of social and political struggles in the United States during the twentieth century In *American Gandhi* Leilah Danielson establishes Muste s distinctive activism as the work of a prophet and a pragmatist Muste warned that the revolutionary dogmatism of the Communist Party would prove a dead end understood the moral significance of racial equality argued early in the Cold War that American pacifists should not pick a side and presaged the spiritual alienation of the New Left from the liberal establishment At the same time Muste was committed to grounding theory in practice and the individual in community His open pragmatic approach fostered some of the most creative and remarkable innovations in progressive thought and practice in the twentieth century including the adaptation of Gandhian nonviolence for American concerns and conditions A biography of Muste s evolving political and religious views *American Gandhi* also charts the rise and fall of American progressivism over the course of the twentieth century and offers the possibility of its renewal in the twenty first      **The Magazine of Wall Street and Business Analyst** ,1920      **The Magazine of Wall Street** ,1920      *Monthly Economic Letter* First National City Bank (New York, N.Y.),1916      **Globalization at Risk** Gary Clyde Hufbauer,Kati Suominen,2010-10-19 History has declared globalization the winner of the 20th century Globalization connected the world and created wealth unimaginable in the wake of the Second World War But the financial crisis of 2008 09 has now placed at risk the liberal economic policies behind globalization Engulfing the entire world the crisis gave new fuel to the skeptics of the benefits of economic integration Policy responses seem to favor anti globalizers New regulations could balkanize the global financial system while widespread protectionist impulses might undo the Doha Round Issues from climate change to

national security may be used as convenient excuses to keep imports out keep jobs at home and to clamp down on global capital Will globalization triumph or perish in the 21st century What reforms make sense in the post crisis world International economists Gary Clyde Hufbauer and Kati Suominen argue that globalization has been a force of great good one that needs to be actively advanced and honed Drawing on the latest economic analyses they reveal the drivers and effects of global finance and trade lay out the key risks to globalization and offer a practical policy roadmap for managing the challenges while increasing the gains Vital reading for anyone in business finance foreign affairs or economics Globalization at Risk is sure to advance public debate on this defining issue of the 21st century *Bulletin of Business Research* ,1926
