free We print this book so you don t have to First you gotta find a good clean legible copy and make sure it s the latest
version not always easy Some documents found on the web are missing some pages or the image quality is so poor they are
difficult to read We look over each document carefully and replace poor quality images by going back to the original source
document We proof each document to make sure it s all there including all changes If you find a good copy you could print it
using a network printer you share with 100 other people typically its either out of paper or toner If it s just a 10 page
document no problem but if it s 250 pages you will need to punch 3 holes in all those pages and put it in a 3 ring binder
Takes at least an hour It s much more cost effective to just order the latest version from Amazon com This book includes
original commentary which is copyright material Note that government documents are in the public domain We print these
large documents as a service so you don t have to The books are compact tightly bound full size 8 1 2 by 11 inches with large
