multi volume treatise It covers Federal Judicial Powers the Bill of Rights Individual Rights the 9th Amendment State Powers
Powers Denied to States and Separation of Powers The volume is styled The Kiss of Judice The Constitution Betrayed A
Coroner s Inquest and Report Judice Latin a pun means pertaining to judges thus denoting the judicial Judas like betrayal of
the Constitution Coroner s Inquest denotes that the work is a study into the death of the Constitution Your author is the
Coroner He proceeds in the Inquest with the aid of his Coroner s Jury Jefferson Madison Hamilton Story Locke and
Blackstone The work in this volume is a dialogue between the Coroner and his jury on the various parts of the Constitution
covered The jury members answer the Coroner s questions for the most part in their own words drawn from a variety of their
written works Occasionally the Coroner puts words in their mouths those inventions are shown in brackets in the jurors
answers The work is novel because to the author s knowledge it is the only Constitutional Law textbook that collects the
wisdom of the framers as the Constitution s only authoritative sources it does not as most Constitutional Law texts do
emphasize court cases as constitutional authority for more often than not the courts have only warped the Constitution In a
broader sense though the work is not novel for it s only an arrangement of the work already done by the jurors The author is
pleased to say that the work by and large is not original thought Its beauty is that it only revives long forgotten constitutional
discoveries as set in the words of the main jurors and some others within interviewed Note to purchasers For updates to the
