Fem Dom Mistress Guide:

The Mistress Manual Mistress Lorelei, Mistress Lorelei Powers, 2000 Originally published in 1994 in a simple pink guidebook format by an experienced and wickedly creative dominant woman The Mistress Manual fell out of print when the author moved on to other projects Now Greenery Press has brought this underground classic back to life updated with new ideas and information on Learning to Love Command to The Art of Discipline Learn how to enact the Five Archetypal Fantasies how to create your own scenarios and much much more *The Mistress in Control* Veronica Milan, 2020-11-16 From childhood onwards females are encouraged into subservient roles so that taking the lead can feel strange and unnatural even unfeminine and not nice We are discouraged from aggressively grabbing what we want and instead encouraged to sacrifice and nurture We are taught to be prizes not competitors Surely there has to be more to life than that Many men the ones who value assertiveness and even a little cruelty in their female lovers would agree Men are ready to be dominated owned and used by the strictest most sensual and cruelest women The subservient slaves get put in their places and then punished in a variety of naughty ways until they understand their place This book is a rich resource of ideas for the woman who wants to embark upon FemDom journey with her man and is hungry for new kinky territory to conquer and in this guide you ll learn practical steps towards becoming a professional dominatrix Much of what is depicted about BDSM and the lifestyle is wrong Our opinions on this lifestyle and art form are often times shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths The truth is that BDSM is not degrading towards women One of the most common misconceptions surrounding a woman taking a dominant role is the assumption that she needs to be a display cruel behavior towards others for the sake of her own gain or pleasure and without consideration for their safety or well being it s not surprising that any woman would feel reluctant to adopt this role in her relationship Taking the lead in bed doesn t mean being a sadist or demeaning your partner It doesn t mean you have to change who you are You re simply connecting with a powerful side of yourself that was always there and sharing it with a person who wants to make you happy It s about closeness and connection not cruelty FemDoms are to lead and not follow be confident and be yourself say what you mean and be attractive A Warning for the Man Men in Her Life this book will teach your partner how to be more dominant controlling learn how to train you learn how to punish you and hold you accountable for your actions if you buy this book for her you might get more than you asked for You may want to quietly set it aside and buy her a set of fuzzy handcuffs instead You have been warned **FemDom Relationship Guide** Caroline Peel, 2017-09-28 So you want to have a FemDom relationship or want to know how that would even work You are a man and want to convince your wife to become your future mistress You are a woman and want to understand submissive men or train one Then this is your book You should not read this book if you re interested in any hot FemDom sex stories you won t find them there You will find a complete manual for a FemDom relationship however So much of the websites out there are focusing on the sexual

elements of FemDom and almost no one talks about FemDom as a relationship model Needless to say that it seems all of the writings are from men and they really don't understand women and especially not Dominant women I have been in a FemDom relationship for almost 10 years now and yes it works it's the best lifestyle ever I love it But getting there wasn't easy The stuff on the internet for instance was worthless I received lots of help but I have to admit that much of this was sheer luck The first step was understanding my submissive husband and his desire to be dominated It was by accident that I discovered my husband's visits to a Dominatrix close by How was I supposed to understand that If I would have had access to a book like this one I would've understood him much better But back then this book didn't exist Instead I invested lots of time to understand submissive men and went on a journey After some time we introduced FemDom I learned to Dominate I learned to command I learned to own him He's mine now And both of us love it But even today 10 years later there still is no adequate book or guide out there which teaches the two most basic things Accepting and understanding submissive men as a woman Dominant a man and living a FemDom relationship in the long run That's why I decided to write this book It's not only a collection of thoughts it's a through handbook guiding you on your journey towards total FemDom Here is an overview of what you will find inside Chapter 1 Why I Became A Mistress Understanding Submissive Men On Femdom And Relationships Femdom Is Love Chapter 2 The Benefits Of Female Domination Chapter 3 The Mistress And How To Become One Chapter 4 Finding A Submissive Male Or Creating One Chapter 5 Train A Submissive Male To Be A Slave Chapter 6 Establishing Your Authority Ways To Make Him Obey Chapter 7 Managing A Femdom Relationship Chapter 8 How To Make Him Obey With Rituals And Things Chapter 9 The Art Of Discipline Advice Technique And Implements Chapter 10 Femdom Examples Chapter 11 Frequently Asked Questions Chapter 12 Last Steps It's a 170 page book and contains years of experience What do you need more Here are the two FemDom rules 1 Mistress is always right 2 When Mistress is wrong Rule 1 applies

The FemDom Relationship Guide Caroline Peel, 2018-03-18 So you want to have a FemDom relationship or want to know how that would even work You are a man and want to convince your wife to become your future mistress You are a woman and want to understand submissive men or train one Then this is your book You should not read this book if you're interested in any hot FemDom sex stories you won't find them there You will find a complete manual for a FemDom relationship however This book is a complete guide to a modern FemDom relationship So much of the websites out there are focusing on the sexual elements of FemDom and almost no one talks about FemDom as a relationship model Needless to say that it seems all of the writings are from men and they really don't understand women especially not Dominant women I have been in a FemDom relationship for almost 10 years now and yes it works it's the best lifestyle ever I love it But getting there wasn't easy The stuff on the internet for instance was worthless I received lots of help but I have to admit that much of this was sheer luck The first step was understanding my submissive husband and his desire to be dominated It was by accident that I discovered my husband's visits to a Dominatrix How was I supposed to understand that If I would have had access to a

book like this one I would've understood him much better. But back then this book didn't exist. Instead I invested lots of time to understand submissive men and went on a journey. After some time we introduced FemDom. I learned to Dominate. I learned to command. I learned to own him. He's mine now. And both of us love it. But even today 10 years later there still is no adequate book or guide out there which teaches the two most basic things: Accepting and understanding submissive men as a woman. Dominating a man and living a FemDom relationship in the long run. That's why I decided to write this book. It's not only a collection of thoughts; it's a thorough handbook guiding you on your journey towards total FemDom. Here is an overview of what you will find inside:

Chapter 1: Why I Became A Mistress: Understanding Submissive Men
Chapter 2: The Benefits Of Female Domination
Chapter 3: The Mistress And How To Become One
Chapter 4: Finding A Submissive Male Or Creating One
Chapter 5: Train A Submissive Male To Be A Slave
Chapter 6: Establishing Your Authority: Ways To Make Him Obey
Chapter 7: Managing A Femdom Relationship
Chapter 8: How To Make Him Obey With Rituals And Things
Chapter 9: The Art Of Discipline: Advice, Technique And Implements
Chapter 10: Femdom Examples
Chapter 11: Frequently Asked Questions
Chapter 12: Last Steps

It's a 170 page book and contains years of experience. What do you need more? Here are the two FemDom rules:

1. Mistress is always right
2. When Mistress is wrong, Rule 1 applies

Mistress Dede, 2015-10-07: Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo and many women are afraid of what society would say, what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves and sometimes it can hinder who we really are inside. Take heed, ladies: We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women. This manual will give you an inside look on what being a Mistress is really all about and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can

let all of your inhibitions go It will give you insight into a new you the one who has been trapped behind the social norms for far too long Ladies welcome your inner Mistress FEMDOM Eva Harmon,2023-01-17 Have you ever experienced the rush that comes with dominating your sexual partner Have you ever experienced the power trip you get with submitting your sexual partner to your will Have you ever experienced the adrenaline you get with seeing your sexual partner helpless while begging you for mercy Have you ever experienced the satisfaction that comes with reducing your sexual partner to a quivering coward If you can relate to these questions then it s time you explored your darker side In this book we are going to explore the world of FEMDOM and how you can take your naturally dominant side and transform yourself into a powerful mistress With the information presented in this book you will get an introduction into the world of FEMDOM and how you can turn your man into dust For a lot of gals out there this is the ultimate fantasy There is nothing more stimulating and gratifying than to see your partner tied up beating and subdued In fact the rush of power that comes from having your partner completely helpless is incredibly difficult to beat In this volume you will learn about The world and FEMDOM and how you can become a powerful mistress without much difficulty How to train your male subs so that they are reduced into a shaking maggot The ways in which you can set up your personal domain to reflect your dominant personality The types of outfits you can wear to suit your taste and personal style The ways in which you can subject your male subs to excruciating torture and humiliation The use of props and devices which you can put to good use during your FEMDOM scenes and encounters The use of chairs and tables in your domination scenes How you can use bathroom play to really take things up a notch while reducing your sub to nothing How to use torture effectively especially as a means of punishment Cuckoldry and other humiliation tactics and so much more So if you have been thinking about unleashing your dark side then there is no time like the present If you are into BDSM you will find that this book covers this topic extensively In fact we ll give you so many ideas you won t even know where to begin We know that you are eager to get started with your FEMDOM fantasies We are also sure that there are plenty of men out there who are eager to be your submissive slaves So why not oblige Make them your slaves by pummeling them into submission Do you know what the best part is They ll keep coming back for more Your subs will be so thrilled by the tactics you have for them that they won t be able to stay away In fact don t be surprised if you get requests from multiple subs What are you waiting for Let s get started in the world of FEMDOM today A word of caution though once you cross the threshold you won t be able to go back **The Dominatrix Manual** Mistress Dede,2015-02-13 Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word When the thoughts of being in control creep into your head that sexy little smile starts to play over your lips and you start to get some ideas that you want to try on your man As women we have all been there but being women many of us are unable to take hold of our control and dominate a man The idea of being a dominatrix is often seen as a sexual and social taboo and many women are afraid of what society would say what our family and friends would think and in general we feel that it isn t
