Female Manual Stimulation With

Alan S. Gurman

Female Manual Stimulation With:

The Case of the Female Orgasm Elisabeth A. Lloyd, 2009-07 Why women evolved to have orgasms when most of their primate relatives don't is a persistent mystery among evolutionary biologists. In pursuing this mystery, Lloyd arrives at another How could anything as inadequate as the evolutionary explanations of the female orgasm have passed muster as science? *Sexual Behavior in the Human Female* Alfred C. Kinsey, Wardell B. Pomeroy, Clyde E. Martin, Paul H.

Gebhard, 1998-05-22 The groundbreaking Kinsey Report study on female sexuality from one of the most influential figures in American intellectual history. The New York Times. Originally published in 1953, the material presented in *Sexual Behavior in the Human Female* was derived from personal interviews with nearly 6,000 women from studies in sexual anatomy, physiology, psychology, and endocrinology. The study revealed the incidence and frequency with which women participate in various types of sexual activity and how such factors as age, decade of birth, and religious adherence are reflected in patterns of sexual behavior. The authors make comparisons of female and male sexual activities and investigate the factors which account for the similarities and differences between female and male patterns of behavior and provide some measure of the social significance of the various types of sexual behavior. It shocked the world in 1953 with its explicit revelations. Countries banned it, Churches berated it. Some scholars scoffed, but it was an instant success, selling 270,000 copies in less than a month. Kinsey made headlines around the globe with his findings on such things as masturbation, sex before marriage, and adultery. CBSNews.com *A Clinician's Guide to Systemic Sex Therapy* Gerald Weeks, Nancy Gambescia, Katherine M.

Hertlein, 2012-08-06 *A Clinician's Guide to Systemic Sex Therapy* provides readers with an integrative and comprehensive theory in guiding their clinical practice. Pragmatically oriented, this text walks clinicians through diagnosis and treatment with resources such as tables, graphs, flow charts, and implementation strategies. The text does not rely on only visual elements; however, acknowledging that information needs to be guided by a theory that can be translated into practice, the authors use the Intersystems approach to provide a comprehensive perspective in understanding and improving intimate and sexual relationships for clients. *A Clinician's Guide* addresses and fills the lack of theoretical integration in the practice of couple and sex therapy and provides a relevant follow-up to the authors' extensive text *Systemic Sex Therapy*. Routledge, 2008. This book is an essential roadmap for translating theory into practice and trains clinicians to give their clients the most thorough and valuable assistance possible. *Female Arousal and Orgasm: Anatomy, Physiology, Behaviour and Evolution*

Donald Lambert Jesse Quicke, 2023-12-28 *Female Arousal and Orgasm: Anatomy, Physiology, Behaviour and Evolution* is the first comprehensive and accessible work on all aspects of human female sexual desire, arousal, and orgasm. The book attempts to answer basic questions about the female orgasm and questions contradictory information on the topic. The book starts with a summary of important early research on human sex before providing detailed descriptions of female sexual anatomy, histology, and neuromuscular biology. It concludes with a discussion of the high heritability of female orgasmicity and

evidence for and against female orgasm providing an evolutionary advantage The author has attempted to gather as much information on the subject as possible including medical images anonymized survey data and previously unreported trends The groundbreaking book gives a scientific perspective on sexual arousal in women and helps to uncover information gaps about this fascinating yet complex phenomenon Readership Biologists general readers psychologists

A Clinician's Guide to Systemic Sex Therapy Nancy Gambescia, Gerald R. Weeks, Katherine M. Hertlein, 2015-12-07 The second edition of A Clinician's Guide to Systemic Sex Therapy has been completely revised updated and expanded This volume is written for beginning psychotherapy practitioners in order to guide them through the complexities of sex therapy and help them to be more efficient in their treatment The authors offer a unique theoretical approach to understanding and treating sexual problems from a systemic perspective incorporating the multifaceted perspectives of the individual client the couple the family and the other contextual factors Both beginning and experienced sex relationship therapists will broaden their perspectives with the Intersystem approach and gain information rarely seen in sex therapy texts such as how to thoroughly assess each sexual disorder the implementation of various treatment principles and techniques how to incorporate homework dealing with ethical dilemmas understanding different expressions of sexual behavior and addressing the impact of medical problems on sexuality Aside from bringing the diagnostic criteria up to date with the DSM 5 this new edition contains a new chapter on sensate focus an expanded section on assessment more information about development across the lifespan and more focus on diversity issues throughout the text

Sexually Aggressive Women Peter B. Anderson, Cindy Struckman-Johnson, 1998-06-22 Working from a range of theoretical perspectives contributors to this text challenge prevailing stereotypes of women as passive or resistant participants in heterosexual interaction and men as initiators or aggressors Like men the book proposes many women are clearly interested in sex and some are sexually aggressive Bringing attention to ethical political and conceptual questions surrounding this area of inquiry the volume offers insights that seek to enhance clinical work and set directions for future research It should be of interest to all scholars and students of psychology sociology human sexuality and gender studies as well as mental health professionals in a range of settings

Cutting the Rose: Female Genital Mutilation - The Practice and Its Prevention Efua Dorkenoo, 1994-01-01 Only from such models is it fully possible to explore such issues as the rights of women and of children of the part which the well being of women plays in the health of a nation and also the strengths and weaknesses of the various international campaigns on the subject

Discovering Your Couple Sexual Style Barry W. McCarthy, Emily McCarthy, 2011-03-17 Winner of the 2009 Smart Marriages Impact Award Think all sex should be earth shattering The quality of most couple sex doesn't measure up to the much distorted image of the perfect romantic love passionate sex encounter portrayed in popular culture In *Discovering Your Couple Sexual Style* Sharing Desire Pleasure and Satisfaction renowned marital and sex therapist Barry McCarthy and his wife Emily McCarthy urge couples to ignore what they see on TV in books or online and discover their own unique sexual

style The McCarthys offer three guidelines for sexual satisfaction develop positive realistic sexual expectations explore sensual and sexual options and communicate sexual desires With this foundation couples can take a straightforward survey to determine which of four couple sexual styles best fits their relationship Based on three years of research and treating more than 4 000 individuals and couples *Discovering Your Couple Sexual Style* provides information guidelines exercises and case studies that will help readers find their own sexual voice and develop a mutually satisfying sexual style Handbook of Sex Therapy Joseph LoPiccolo, Leslie LoPiccolo, 2012-12-06 When is it timely to publish a synthesis of previously published and original materials from a specific discipline I believe it to be timely when one has a sufficient amount of high quality material covering the critical areas of that topic when the previously published material is scattered over a wide range of journals and books and when there is no single book that synthesizes the discipline The treatment of sexual dysfunction emerged to the front lines of health delivery only during the past decade with the pioneering work of William Masters and Virginia Johnson In spite of the rash of sex clinics and sex therapists that followed precious little solid research has been conducted on the various strategies of therapy the means of assessing complex interpersonal sexual relationships and the manner by which clinical change is objectively assessed No one reader can keep pace with the multitude of journals that publish key material by sophisticated investigators And no one investigator can cover these salient areas alone with his or her original work in a single volume The critical papers have now been written Ten were written specifically for this volume and thirty three have previously appeared This volume laces them together into a coherent pattern Thus the time for a synthesis in sexual dysfunction Human Sexuality Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists

Empowering Health Decisions Jerrold S. Greenberg, 2014 *Empowering Health Decisions* offers a personal health text focused on essential content for students to assist them in making informed decisions about their health This text is unique from other personal texts on the market in that it focuses on decision making models and theories of behavior change These models are carried throughout each chapter and will describe how it can be used to make health enhancing decisions specific to the chapter content Advances in the Study of Behavior , 1974-11-29 *Advances in the Study of Behavior*

Comprehensive Handbook of Cognitive Therapy Hal Arkowitz, L.E. Beutler, Karen Simon, 1989-06-30 This Handbook covers all the many aspects of cognitive therapy both in its practical application in a clinical setting and in its theoretical aspects Since the first applications of cognitive therapy over twenty years ago the field has expanded enormously This book provides a welcome and readable overview of these advances *Primary Care Medicine* Allan H. Goroll, Albert G.

Mulley,2009-01-01 Now in its Sixth Edition this comprehensive text provides pertinent information on medical diagnosis therapy lab tests and health maintenance essential to decision making in primary care medicine Every chapter has been revised to include more images tables and bulleted lists Practical recommendations that incorporate the best available evidence expert consensus guidelines and clinical judgement are listed in bulleted items at the end of every chapter The dermatology section has been extensively revised for this edition by a new section editor A companion Website offers the fully searchable text and an image bank The Encyclopædia of Sexual Behaviour Albert Ellis,Albert Abarbanel,2013-10-22 The Encyclop dia of Sexual Behaviour Volume Two is an encyclopedia of sexual behavior and covers topics ranging from the linguistic aspects of sex to sex life in Latin America sex in the literature and sexual love Laws on marriage and family and on sex crimes are also discussed along with sexual perversions and the art of loving Comprised of 52 chapters this volume first deals with Judaism s attitudes and teachings on sex particularly with regard to the sexuality of women nudity and prostitution The reader is then introduced to the connection between language and sex sex life in regions such as Latin American the Orient and the Soviet Union and the portrayal of sex in literature Subsequent chapters explore sexual love as opposed to altruistic love marriage and family living menopause and the menstrual cycle movement and feeling in sex the interrelationship of music and sex and the effects of nutrition and health on sexuality Other chapters focus on phallicism and sexual symbolism planned parenthood around the world the psychology of pornography human reproduction and sex in relation to race and Protestantism This book will be of interest to psychologists and psychiatrists **Women's Sexual Function and Dysfunction** Irwin Goldstein,Cindy M. Meston,Susan Davis,Abdulmaged Traish,2005-11-17 The first definitive text on female sexual dysfunction this major new book summarizes the current body of knowledge in the field traces the history of developments in the area and identifies work still needed in the future Reflecting a multidisciplinary approach to the subject the book details the methods and materials for ensuring the appropriate management of women with sexual health problems and concentrates on the presentation of evidence based data concerning the physiology pathophysiology diagnosis and treatment of sexual function and dysfunction in women The inclusion of difficult cases also enhances the use of text as a practical guide to all disciplines concerned with the field of female sexual dysfunction This important work will become a key resource for basic science researchers endocrinologists gynecologists psychologists urologists health care clinicians and anyone else interested in women s sexual health All proceeds are donated to the International Society for the Study of Women s Sexual Health **Primate Sexuality** Alan F. Dixson,2012-01-26 Primate Sexuality provides a synthesis of current research on the evolution and physiological control of sexual behaviour in the primates prosimians monkeys apes and human beings This new edition has been updated and greatly expanded throughout to incorporate a decade of new research findings Clinical Handbook of Couple Therapy, Fourth Edition Alan S. Gurman,2008-06-24 This authoritative handbook provides a definitive overview of the theory and practice of couple therapy

Noted contributors many of whom developed the approaches they describe combine clear conceptual exposition with thorough descriptions of therapeutic techniques In addition to presenting major couple therapy models in step by step detail the book describes effective applications for particular populations and problems Chapters adhere closely to a uniform structure to facilitate study and comparison enhancing the book s utility as a reference and text See also Clinical Casebook of Couple Therapy also edited by Alan S Gurman which presents in depth illustrations of treatment Helping Couples Change Richard B. Stuart, 2003-11-19 Now available in paper for the first time this classic work presents a structured rigorously tested six stage strategy for improving intimate relationships Therapists and counselors will benefit from practical step by step guidance for deciding how why and when to employ such widely cited Stuart techniques as caring days communication improvements behavioral contracting the powergram procedure for decision making and conflict containment These techniques not only provide a program for identifying and producing positive behavior change but give the therapist the tools to assess therapeutic outcome and empirically validate the efficacy of change A new preface to the paperback edition situates the book within the contemporary couple therapy landscape and reflects on the continuing evolution of the author s approach

New Sex Therapy Helen Singer Kaplan, 2013-10-28 First published in 1975 The last two decades have brought remarkable advances in our knowledge of human sexuality These data are in the process of being assimilated into the main body of psychiatric thought which is being greatly enriched thereby Our increased understanding of sexuality is also currently being translated into innovative new approaches to the treatment of sexual difficulties These developments promise relief to many persons with distressing sexual problems who were previously thought to be beyond help At the present time the specific approach to sex therapy described in this volume is being employed further developed and most important systematically evaluated at the Sex Therapy and Education Program of the Payne Whitney Psychiatric Clinic of the Cornell University New York Hospital Center The Cornell program is psychiatrically oriented It regards sex therapy as a specialized branch of psychotherapy The Clinic conceives of sexual dysfunctions as psychosomatic symptoms and it s orientation is multicausal and eclectic in that it believes that sexual dysfunctions are the product of multiple etiologic factors and our treatment armamentarium comprises an amalgam of experiential behavioral and dynamically oriented modalities
