White,2019-10-01 For Rob and Charlie this was the start of memorable years driving Massey Ferguson combines the length and breadth of the American wheat belt This is Rob s story a vivid account of endless hours of work rattlesnakes truck wrecks summer lightning tornados favourite bars and the honeys at the grain elevators Rob went on to do five years harvesting with Dale Starks who comes to life in these pages with all his wisdom and cussedness This is the man who starred in Yellow Trail from Texas the BBC documentary that first inspired Rob and Charlie to make the trip In England Rob was working as an agricultural contractor For him machines and harvesting were more than a way of life they were a passion This enthusiasm which brought Rob long lasting friendships from his American days illuminates every page of his book      Juggernaut Drivers Leslie Purdon,2006-11-01 Leslie Purdon lives and breathes trucking Truck and Driver It s the 1970s Trucker Dennis Richardson Rich revels in the laughs and camaraderie of his life on the road He sets up a transport company North Kent with two pals Benny is the one with the short fuse Rich tries to calm him down when he s not winding him up The irrepressible Chuckles has his own way of dealing with tachographs and then there s the indispensable Jean the rock on which they rest The determined team go through humorous and sometimes extreme exploits as they strive to stay afloat They run legal when they can and cut corners when necessary gambling on the new Scandinavian trucks that are changing the industry They are cheated out of their earnings but still come up smiling      Farm Machinery Brian Bell,2010-02-12 Farm Machinery is the standard book on the current theory and practice of farm mechanisation for students and farmers First published in 1979 this new sixth edition incorporates much new text together with 280 new colour photographs illustrating the steady flow of developments in farm mechanisation that have taken place over the past decade Recent advances in computer technology and satellite field mapping are included and new content enriches the earlier material dealing with the working principles and operation of the vast array of the somewhat less sophisticated farm tractors and machines still in use on British farms There are chapters on tractors cultivation and drilling equipment crop care and harvest machinery Further chapters deal with farmyard and estate maintenance equipment mechanical handlers dairy equipment irrigation farm power and the farm workshop References are made to the UK Health Safety at Work Act and other safety regulations These summarise their main requirements but they should only be taken as a guide Brian Bell has had a long involvement with farm machinery that started with an apprenticeship in a tractor dealership After a teaching career on farm machinery at Otley College in Suffolk he retired as Vice Principal in 1993 when he was awarded the MBE for services to agriculture Brian Bell has written a number of books and made seventeen DVDs on modern and vintage tractors and machinery      **The Long Haul Pioneers** Ashley Coghill,2020-02-01 It all started in 1964 when two friends gave up promising medical careers to embark upon a journey which few hardened truckers would have considered In so doing they were solely responsible for creating the first long haul overland route across Europe and deep into the Middle East to Kabul The men had started the Middle East Run was to

become a phenomenon in the road haulage industry an image which it still holds today This book is about the company founded by one of those men from its fledgling days as Asian Transport to the thriving Astran Cargo Services Ltd that it is today In this book Ashley Coghill documents the complete history of the company to date with the focus predominantly on the early days when the men were fighting for something and revelling in the adventure These early long haul drivers would think nothing of a 10 000 mile round trip to Iran or the Arabian Gulf and being stranded at 6 000 feet on a mountain pass with temperatures below 40 was just all in a day s work Ashley Coghill has an immense enthusiasm for his subject and has given his research total dedication He has also tracked down past and present employees to gather first hand information which he has illustrated with over 300 carefully selected images The end result is a detailed comprehensive and fascinating account of an extraordinary company

**The Vodka-Cola Cowboy: Trucking Russia 1990 - 1995** Mick

Twemlow,2020-05-01 The Vodka Cola Cowboy describes life trucking in what is possibly the harshest environment in the world Russia Between 1990 and 1995 British owner driver Mick Twemlow worked to transport goods to from and within Russia and the wider Soviet Union Living in Moscow with his future wife Elena and their daughter Margarita who was born there in 1992 Mick learned the language and fully immersed himself in Russian society giving him an insider s view of this time of massive upheaval in the Soviet Union The book vividly illustrates the conditions that British truck drivers encountered such as the atrocious winter weather in a wild and unforgiving landscape police harassment and the dangers that came with the dissolution of the USSR Mick was the only British truck driver in Moscow throughout the whole of the anti Gorbachev coup of 1991 and so the book offers a unique perspective of that historical event The incidents described in the book range from the humorous to the serious to the potentially life threatening This book will primarily be of interest to truck drivers and those with an interest in road transport and the haulage industry in general Russia is still an unknown quantity all around the globe with regards to people s understanding of it and its people and so The Vodka Cola Cowboy will also be of interest to anyone who has a fascination with the country particularly during this tumultuous time in the region s socio political history

Footsteps in the Furrow Andrew Arbuckle,2020-04-01 Having lived and worked in and around agriculture in Fife all his life Andrew Arbuckle has a deep affection for his farming heritage Keen to record this for both those who remember the old ways of farming as well as future generations Andrew has gathered information from a variety of sources to present a commentary on Scottish farming life from 1900 to the present day Andrew s avenues of research included local newspaper archives press cuttings and minutes from union meetings or local shows Social history also plays a vital part in the project and interviews with people who have worked in farming in days gone by give the book a vitality and humanity often missing from history books The book is liberally illustrated with between 50 60 black and white photographs arranged in sections

**Forty Years with Ford Tractors** David Pearson,2019-10-01 David Pearson spent more than four decades working for Ford s tractor business starting on the production line at the maker s Dagenham factory before moving to the

Basildon tractor plant opened in 1964 He went on to become the maker s UK sales manager and earned a reputation among farmers and dealers as the man who knew all there was to know about Ford tractors Along the way he was involved in the development of some of the most famous machines to bear the blue livery from the Dexta to the 7000 and the FW articulated tractors to the 7810 Edited by agricultural journalist Martin Rickatson Forty Years with Ford Tractors builds on a series of recollections which originally featured in Classic Tractor magazine and includes additional material to tell David s fascinating story in full It includes a comprehensive selection of black and white and colour photographs many of which have never before been published and will be of interest to all Ford fans and tractor fans more generally Front cover photograph c Dave Franciosy [www.farmingphotography.co.uk](http://www.farmingphotography.co.uk)

**Leyland Comet** Graham Edge, 2019-10-01 This book is about one of Leyland Motors famous models the Leyland Comet It covers the period from the introduction of the lorry in 1947 to its withdrawal from the British market in the mid 1970s This illustrious name continued to be used in the Leyland DAF era such is the high regard and respect earned by one of Leyland's finest vehicles not only here but also overseas Leyland Comet presents the initial development of the model and the various types which evolved in subsequent years When it was first introduced the Leyland Comet was an immediate success and soon became the market leader in the high quality medium weight lorry sector In the 30 years of production history described in these pages the Comet was only seriously challenged by its great rival the AEC Mercury In its heyday the Leyland Motors name was synonymous with top quality Their Comet range maintained and enhanced the company's reputation Many small haulage firms building a business in the post war years aspired to a Leyland lorry and felt a great sense of achievement when able to acquire one This book has been out of print for many years and has been brought back in 2016 to make this fascinating story available again to Leyland enthusiasts and those with an interest in general transport history Graham Edge is a trucking journalist and author Series Commercial Vehicles Archive Series Subject Commercial Vehicles Transportation

The Leyland Octopus Graham Edge, 2004-09-14 Rigid eight wheelers with internal combustion engines were developed as a response to requirements and opportunities embedded in the 1933 Road and Rail Traffic Act Although AEC was first in the field in late 1934 or early 1935 Leyland was able to announce its Octopus By the Second World War the Octopus had become a favourite with operators known to carry a legal payload economically and reliably After the war the driveline of the Octopus basically remained unchanged until 1960 Specification options were few yet the model remained a market leader with lengthy waiting lists for new chassis The model remained in production until the late 1970s and as AEC authority Graham edge writes For most of its productive life the Leyland Octopus was the definitive British eight wheeler lorry The many superb photographs in this book range from shots from the 1930s including what is probably the first Octopus chassis and a rare TEW tipper to 1979 and an Octopus 2 which started service that year with a compacting refuse body The text covers the full production story and there are Appendices which give chassis and engine details
