Heritage Knowledge in the Curriculum Joyce E. King, Ellen E. Swartz, 2018-04-27 Moving beyond the content integration approach of multicultural education this text powerfully advocates for the importance of curriculum built upon authentic knowledge construction informed by the Black intellectual tradition and an African episteme By retrieving examining and reconnecting the continuity of African Diasporan heritage with school knowledge this volume aims to repair the rupture that has silenced this cultural memory in standard historiography in general and in PK 12 curriculum content and pedagogy in particular This ethically informed curriculum approach not only allows students of African ancestry to understand where they fit in the world but also makes the accomplishments and teachings of our collective ancestors available for the benefit of all King and Swartz provide readers with a process for making overt and explicit the values actions thoughts and behaviors reflected in an African episteme that serves as the foundation for African Diasporan sociohistorical phenomenon events With such knowledge teachers can conceptualize curriculum and shape instruction that locates people in all cultures as subjects with agency whose actions embody their ongoing cultural legacy Guide to the Study and Use of Reference Books , 1908 *The News-letter of the Society for the Study of Southern Literature* Society for the Study of Southern Literature, 1995 *Where the Devil Don't Stay* Stephen Deusner, 2021-09-07 In 1996 Patterson Hood recruited friends and fellow musicians in Athens Georgia to form his dream band a group with no set lineup that specialized in rowdy rock and roll The Drive By Truckers as they named themselves grew into one of the best and most consequential rock bands of the twenty first century a great live act whose songs deliver the truth and nuance rarely bestowed on Southerners so often reduced to stereotypes Where the Devil Don t Stay tells the band s unlikely story not chronologically but geographically Seeing the Truckers albums as roadmaps through a landscape that is half real half imagined their fellow Southerner Stephen Deusner travels to the places the band s members have lived in and written about Tracking the band from Muscle Shoals Alabama to Richmond Virginia to the author s hometown in McNairy County Tennessee Deusner explores the Truckers complex relationship to the South and the issues of class race history and religion that run through their music Drawing on new interviews with past and present band members including Jason Isbell Where the Devil Don t Stay is more than the story of a great American band it s a reflection on the power of music and how it can frame and shape a larger culture Forthcoming Books Rose Arny, 1997 **The EU's External Governance of Agriculture and Rural**

Development Laura Gelhaus, 2024-11-13 This book explores how the EU externally governs through agriculture and rural development and how this external governance shapes rural spaces in Georgia. Analysing two EU policy instruments Geographical Indications and the LEADER rural development programme, the book develops a novel way of studying the consequences of EU external actions on the ground by bringing in sociological rural studies and political geography concepts of rural space. In doing so, it analyses the often less visible processes at local levels and in rural areas and proposes how to improve analyses of EU external actions more generally. This book will be of key interest to scholars and students of EU external policy, EU foreign policy, agricultural and rural development, post-Soviet politics, and more broadly to EU studies.
