Men's Health ,2007-09 *Men s Health* magazine contains daily tips and articles on fitness nutrition relationships sex career and lifestyle

Brutes In Suits John Pettegrew,2021-04-27 A vivid massively researched history of hyper masculine sensibility An instructive and provocative view of men s dark side Peter Filene *Men and Masculinities* Are men truly predisposed to violence and aggression Is it the biological fate of males to struggle for domination over women and vie against one another endlessly These and related queries have long vexed philosophers social scientists and other students of human behavior In *Brutes in Suits* historian John Pettegrew examines theoretical writings and cultural traditions in the United States to find that Darwinian arguments to the contrary masculine aggression can be interpreted as a modern strategy for taking power Drawing ideas from varied and at times seemingly contradictory sources Pettegrew argues that traditionally held beliefs about masculinity developed largely through language and cultural habit and that these same tools can be employed to break through the myth that brutishness is an inherently male trait A major re synthesis of late nineteenth and early twentieth century manhood *Brutes in Suits* develops ambitious lines of research into the social science of sexual difference and professional history s celebration of rugged individualism the hunting and killing genre of popular men s literature that master text of hypermasculinity college football military culture war making and

finding pleasure in killing and patriarchy sexual jealousy and the law This timely assessment of the evolution of masculine culture will be welcomed and debated by social and intellectual historians for years to come Pettegrew's book remains rigorous and passionate in its narration of the historic appeal as well as the immediate dangers of de evolutionary masculinity American Historical Review

American Masculinities: A Historical Encyclopedia Bret Carroll, 2003-10-14

This is a highly recommended purchase for undergraduate medium sized and large public libraries wishing to provide a substantial introduction to the field of men's studies Reference User Services Quarterly Pleasing layout and good cross references make Carroll's compendium a welcome addition to collections serving readers of all ages Highly recommended CHOICE An excellent index well chosen photographs and illustrations and an extensive bibliography add further value American Masculinities is well worth what would otherwise be too hefty a price for many libraries because no other encyclopedia comes close to covering this growing field so well American Reference Books Annual American Masculinities A Historical Encyclopedia is a first of its kind reference detailing developments in the growing field of men's studies This up to date analytical review serves as a marker of how the field has evolved over the last decade especially since the 1993 publication of Anthony Rotundo's American Manhood This seminal book opened new vistas for exploration and research into American History society and culture Weaving the fabric of American history American Masculinities illustrates how American political leaders have often used the rhetoric of manliness to underscore the presumed moral righteousness and ostensibly protective purposes of their policies Seeing U S history in terms of gender archetypes readers will gain a richer and deeper understanding of America's democratic political system domestic and foreign policies and capitalist economic system as well as the private sphere of the home and domestic life The contributors to American Masculinities share the assumption that men's lives have been grounded fundamentally in gender that is in their awareness of themselves as males Their approach goes beyond scholarship which traditionally looks at men and women in terms of what they do and how they have influenced a given field or era Rather this important work delves into the psychological core of manhood which is shaped not only by biology but also by history society and culture Encapsulating the current state of scholarly interpretation within the field of Men's Studies American Masculinities A Historical Encyclopedia is designed to help students and scholars advance their studies develop new questions for research and stimulate new ways of exploring the history of American life
