Den Of Sorrows Quinn Loftis, 2016-03-25 The Romanian and Serbian Canis lupus rest in an uneasy peace One of their own Sally Miklos the young and powerful gypsy healer aids Perizada in her quest to defeat Volcan a long forgotten nightmare returned to our world These two packs watch as their brothers across the world wolves from Spain Ireland and America join their own forces in the battle against the evil dark fae At the same time the packs hope against hope that their presence might reveal a mate bond between a pack member and one of the five recently discovered gypsy healers While Jacque and Jen miss Sally their longtime best friend they have bided their time dealing with their own domestic issues Jacque and Fane are anticipating the birth of their first child and Jen and Decebel face the challenges of caring for an infant Both girls are eagerly awaiting Sally s return and have Perizada s word that she will be back in time for the birth of Jacque s baby Vasile and Alina the Alpha pair of the Romanian pack are enjoying this time of peace But Vasile did not become the most powerful Alpha in centuries by being a fool He has lived long enough to know that there is always another battle on the horizon As long as evil exists in this world his race must step forward and stand in the gap shielding those who cannot protect themselves But the battle he is anticipating is bigger than he could have ever imagined As Perizada has recently discovered creatures of the night that have for so long remained hidden from the human realm have slithered from their underground lairs and begun preying on the young and innocent The high fae has declared war and she expects Vasile and his wolves to be the ones to carry out the attack The Alpha is more than happy to oblige But with his first grandchild on the way and the gift of five vulnerable healers coming under the wolves protection he understands that he must be very careful not to place any of them in harm s way Such is the job of the Alpha protector and provider He and those he leads must stand as sentinels and warriors to safeguard those they love and the humans who know nothing of the supernatural world It will be their job to destroy the creatures that threaten to expose them all And if they fail the world as they know it both human and supernatural will never be the same

*Reign of Blood* Quinn Loftis, 2023-01-09 Because I created you for such a time as this The Great Luna s words ring true for every member of the Romanian pack Not only the wolves but for all those who stand in defense of virtue purity and righteousness in a world plagued with monsters hell bent on destroying every good in their path Time and time again the Great Luna s warriors have faced depraved adversaries and each time they ve risen to the challenge With Fane as their leader and members of every supernatural race willing to follow him they will once again stand in the gap for those who cannot stand themselves protecting those who are ignorant of the dangers all around them The Order of the Burning Claw has been dealt a near fatal blow But this has only made them more dangerous like a cornered wolf injured and desperate Alston the former high fae and leader of the Order continues to wage war on Fane and his allies Cain the vampire king has other plans and they no longer include membership in the crumbling faction He has discovered some powerful new allies the very humans he once attempted to subjugate Could they unwittingly be the key that allows him to put finally

eliminate all competition for rule of the supernatural races In the end one species will reign supreme One king will stand victorious The rest will bow or die      **WOLF DIVIDED** QUINN. LOFTIS,2023      **Blood Rites** ,
