The Heron entry-level readers are packed with features to delight any user. Ideal for instantiating reading distance applications (near contact to over 30-cm / 10-in) at the retail point of sale (POS) or office applications, the Heron readers provide high performance in an innovative design package.

Perfect for use as both a handheld and a presentation style reader, all Heron models are lightweight and ergonomically shaped for handheld use and include an auto-rotating stand in the package. All Heron readers feature Datalogic's exclusive patented "Green Spot" for good read/feedback directly on the code. In Stand Mode, the Green Spot remains on to show the operator where to position the code for quick and intuitive reading.
