

A close-up, low-angle shot of a red Hesston 1340 combine harvester. The machine is positioned in a field of dry, yellowish-brown grass under a clear blue sky with some light clouds. The harvester's red frame is prominent, with a white label displaying the number '1340' and a black label with the brand name 'HESSTON' in white capital letters. Above the main frame, a yellow cylindrical component, likely part of the grain elevator or auger system, is visible. The background shows the harvester's complex mechanical structure, including green and yellow components, and a distant utility pole. The overall scene conveys a sense of agricultural activity in a rural setting.
