Department of Health, 2000 *Federal Register*, 2013-07 **Medicaid Provider Enrollment** United States. Congress. House. Committee on Commerce. Subcommittee on Oversight and Investigations, 2000 **The People's Hospital** Ricardo Nuila, 2024-03-12 Where does one go without health insurance when turned away by hospitals clinics and doctors In this volume Nuila follows the lives of five uninsured Houstonians as their struggle for survival leads them to a hospital where insurance comes second to genuine care Each patient eventually lands at Ben Taub the county hospital where Dr Nuila has worked for over a decade Nuila delves with empathy into the experiences of his patients braiding their dramas into a singular narrative that contradicts the established idea that the only way to receive good healthcare is with good insurance As readers follow twists and turns in each patient's story it's impossible to deny that our system is broken and that Ben Taub's innovative model which emphasizes people over payments could help light the path forward Provided by publisher [Compendium of HHS Evaluations and Relevant Other Studies](#) HHS Evaluation Documentation Center (U.S.), 1985 **Compendium of HHS Evaluation Studies** HHS Evaluation Documentation Center (U.S.), 1983 *The Physician Assistant's Business Practice and Legal Guide* Michele Roth-Kauffman, 2006 This text is offered as a medical legal resource of the physician assistant profession It is intended for use through all phases of the professional development of the physician assistant from the high school student sorting through options in career choices to physician assistant students practicing physician assistants and supervisory physicians or those who are considering practicing with a physician assistant The history and development of the profession is reviewed allowing an understanding of the role the physician assistant plays in the healthcare team approach to patient care The scope of practice is defined along with the key collaboration between the physician assistant and the supervising physician Regulatory requirements are delineated by state including basic requirements and maintenance of licensure and certification
