High Season Student:

The Student City Leo van den Berg, Antonio Russo, 2017-05-15 Student communities are without doubt a strategic resource for urban development and students are the citizens and the high skilled working class of tomorrow They are seen as an invisible population with little say in local policy and decision making Co operation between educational institutions and city planners is often missing and cities tend to neglect the universities foreign relations This volume argues that the importance of human capital in the competitiveness of cities demands pro active integral city policies targeting this community Bringing together nine case studies of European cities Rotterdam Utrecht Eindhoven Munich Lyon Lille Venice Birmingham and Helsinki it puts forward a comprehensive strategic plan of action aiming at the integration of student communities in urban development The book analyses the essential characteristics of the relationship between students and their host communities as well as the role of higher education institutions and other actors in building the student friendly city

The Los Angeles State Normal School, UCLA's Forgotten Past: 1881-1919 Keith Anderson, 2015-07-11 The history of the University of California Los Angeles UCLA officially begins in 1919 However the university had its real beginnings as the Los Angeles State Normal School This book aims to correct the historical misperception of the founding of UCLA

Student's Guide to Writing Dissertations and Theses in Tourism Studies and Related Disciplines Tim Coles, David Timothy Duval, Gareth Shaw, 2013-05-02 Around the world every year very many students have to complete dissertations or theses as part of their undergraduate or masters studies in tourism and related subjects Often this substantial piece of self directed work is the culmination of their programmes More than just a means to consolidate their final grades it is also an exciting chance to research a topic of their choosing and a potential gateway to more advanced study as well as job offers and future career paths Yet for all these reasons many students view the dissertation as a tricky challenge This comprehensive book intends to take the stress and anxiety out of doing a dissertation in tourism studies and related disciplines The process is examined from the germination of an idea to the submission and assessment of the final document Written primarily for students conducting independent research for the first time this book offers simple advice and a clear framework which students can adopt even in more advanced studies at masters and doctoral level This book debunks popular myths and aims to overcome common pitfalls It focuses on the aims and objectives as the DNA of every dissertation Rather than view it as a single overwhelming project the dissertation is presented as a series of more modest manageable yet crucially inter linked tasks that all students can successfully complete through careful preparation and effective time management Dissertations are not to be underestimated and they demand great care and attention but they can also be immensely rewarding and enriching experiences academically and personally This jargon free book is also written with overseas students specifically in mind drawing directly on our overseas students experiences This valuable resource contains start of chapter learning objectives and end of chapter checklists as well as numerous boxed case studies
