Hooked On Murder:

Hooked on Murder Betty Hechtman, 2008-05-06 Croteching has become Molly Pink's relaxing escape from her hectic life as a bookstore event manager and from the stress of being Tarzana California's latest murder suspect. For Molly, the weekly crochet group at Shedd Royal Books and More was just another event to manage. Then she stumbled across the body of group leader Ellen Sheridan. Her complicated past with Ellen has made her a prime suspect, and after being cuffed and questioned, she could use a little diversion. Never mind that she doesn't know how to crochet. Granny squares don't look that hard to make. But while Molly's fending off a detective with a grudge and navigating crochet group politics, the real killer is at large. And it's up to Molly to catch the culprit before she winds up in a tight knot. Delicious recipe and crochet pattern included. A gentle and charming novel. Its quirky and likable characters are appealing, and real Earlene Fowler, author of *Tumbling Blocks*.

Murder by the Hook Betty Hechtman, 2025-04-08 What starts with a kleptomaniac ends with a crafty killer in the new Crochet Mystery from national bestselling author Betty Hechtman. When the bookstore where she works closes for renovations, Molly Pink and the Tarzana Hookers hit the road for a relaxing crochet weekend in the quaint town of Pixie. The getaway comes at the perfect time for Molly, who's been asked by her former beau to help finger a thief in Pixie who's been pilfering personal items from a friend. Molly's plan is to attend a pre-wedding party at the friend's home and catch the culprit in the act, but her simple sleuthing turns deadly serious when the groom to be is found murdered. To complicate matters, the victim was found on the property abutting the place where the Hookers are staying, and they and Molly soon get roped into the investigation as potential witnesses. But Molly knows her list of possible petty thieves holds the name of the killer, and she'll have to rule them out one by one to nab the guilty party. Certain she's on the right track when she receives a threatening note telling her to back off, Molly will have to sort through a tangle of clues before the wedding that became a funeral becomes a funeral for her. Includes a crochet project and a delicious recipe. Praise for the Books of Betty Hechtman: Hechtman joyfully turns many timeworn cozy tropes on their heads. If the Booker Prize had a category for cozies, this would be a contender. Kirkus Reviews starred review: Betty Hechtman has written a charming mystery.
