Walter Dean Myers Richard Andersen, 2014-01-01 Walter Dean Myers wrote more than one hundred books for young adults He won the Coretta Scott King Award for African American and served as the U S National Ambassador for Young People's Literature This biography delves into the inspirational life of Myers and exposes the hardships he overcame to become one of the most regarded children's book authors in our lifetime Through this book readers will gain a deep insight into this influential author's work and how Myers fought for more African American authors of young adult fiction to be recognized

Young Adult Literature and Culture Harry Eiss, 2009-03-26 This book offers a multifaceted approach to the world of young adults everything from Ray Schrock's use of Walter Dean Myers sports stories to discuss race relations and cultural politics to Joyce Litton's analysis of the highly popular Sisterhood of the Traveling Pants Quartet The cover illustration is done by Joel Rudinger based on his experiences with the Inuit where he learned many of their legends and myths resulting in his own excellent work on Sedna the creation goddess a story filled with deep tragedy mystery and the world of the spirits This mythic world slides into the discussion of Harry Eiss one that focuses on The Isis Trilogy best known of Monica Hughes many works who writes Science fiction and fantasy in particular are valid carriers of myth for the 20th century and most especially for young people Margaret Best and Susann deVries also give us literature that uses science They begin The science fair project is the central metaphor and the reality in Paul Zindel's The Effect of Gamma Rays on Man in the Moon Marigolds 1970 Christopher Paul Curtis's Bucking the Sarge 2004 and Joyce Maynard's The Cloud Chamber 2005 After providing an overview science fiction Sally Sugarman offers a study of the entire genre For this study two hundred and thirty nine high school students from two schools in Vermont and Massachusetts were surveyed Alethea K Helbig provides an overview of her important activities promoting literature for the young She was a seminal scholar and educator when colleges and universities were just beginning to take the study of such literature seriously when English departments were initiating serious undergraduate and graduate classes in what previously had been seen as inferior literature Her life itself provides us with an entertaining and historically valuable autobiographical account of a person at the center of the change that has taken and continues to take place Jerry Loving expands the horizons of the entire collection of essays providing a firsthand account of how the young are educated in China including a detailed history It begins I have been traveling to mainland China at least 4 to 6 times a year as a teacher or education evaluator since 2002 As the visits and years passed I watched the education system of China slowly improve to the level my schools were like when I went to school in the 50's and 60's

Walter Dean Myers Elizabeth Hoover, 2014-01-30 Walter Dean Myers was a prolific author penning over one hundred young adult and children's books According to the American Library Association Myers won the Coretta Scott King Book Award six times This informative edition covers the life of author Walter Dean Myers The book spans Myers troubled childhood in Harlem through his rise as an editor at a publishing house and finally delves into his work as an author

Readers will learn about how Myers overcame racism and learning disabilities to become an award winning author

Walter Dean Myers Denise M. Jordan,2013-01-01 Walter Dean Myers tells it like it is in his award winning novels about urban teenagers with real problems With humor and a keen ear for dialogue Myers creates characters that speak directly to today s teens As a young reader Myers could not find books about African American boys like himself Drawing upon his own struggles and experiences he has filled that literary gap with fascinating novels filled with realistic stories that appeal to readers of all backgrounds and cultures Human Biology and Health Anthea Maton,1993 **Children's Books in Print, 2007** ,2006 Booktalks Plus Lucy Schall,2001-04-15 Obesity in a world where thin is endlessly in vogue pros and cons of tattoos and body piercing and family blending This guide leads you to quality literature that inspires students to read and discover more about these and many other issues they find relevant Booktalks for more than 100 titles are accompanied by motivational activities and lists of related works In addition pithy book summaries and bibliographic information are given Fiction and nonfiction titles most published since 1995 were selected with curriculum connections in mind and are arranged topically Human Biology and Health ,1997 **Childhood and Innocence in American Culture** James M. Curtis,2023-08-01 This collection argues that the romanticized conflation of childhood and innocence in American culture has been on a steady decline at least since the 1960s largely due to postmodern critiques of overarching narratives involving both the child and the innocence of childhood Additionally this collection highlights and analyzes examples of children s literature and culture throughout the 20th century and into the 21st which pointedly defy traditional idealized notions of childhood Such an analysis serves to reiterate the idea that the romanticized notion of childhood which has pervaded American culture for over two centuries is little more than a cultural construction that bears little to no resemblance to the actual lived experience of American children **Integrating Literature in the Content Areas** Sharon Kane,2017-05-12 This practical accessible resource will help future and practicing teachers integrate literature into their middle school or high school classrooms while also addressing content area standards and improving the literacy skills of their students Two introductory chapters are followed by five chapters that each cover a different genre Chapter 3 Informational Books Chapter 4 Fiction Chapter 5 Biography Autobiography and Memoir Chapter 6 Poetry and Chapter 7 How to and Hands on Books Each genre chapter consists of four parts Part 1 Discusses the genre and how content area teachers can use books within that genre to further content learning and enhance literacy skills Part 2 Offers hands on instructional strategies and activities using literature with activities for use in a variety of disciplines Part 3 Presents individual author studies three or four per chapter with bibliographies and guidelines for using the authors books in content area courses Part 4 Features an annotated bibliography of specially selected children and young adult literature for that genre organized by content area The annotations provide information about the book which can be used to prepare booktalks and teaching ideas for using in a specific content area Altogether these sections contain more than 600 annotated entries tabbed by subject area including art

Book Review Digest ,1992 **Book Banning in 21st-Century America** Emily J. M. Knox,2015-01-16 Requests for the removal relocation and restriction of books also known as challenges occur with some frequency in the United States Book Banning in 21st Century American Libraries based on thirteen contemporary book challenge cases in schools and public libraries across the United States argues that understanding contemporary reading practices especially interpretive strategies is vital to understanding why people attempt to censor books in schools and public libraries Previous research on censorship tends to focus on legal frameworks centered on Supreme Court cases historical case studies and bibliographies of texts that are targeted for removal or relocation and is often concerned with how censorship occurs The current project on the other hand is focused on the why of censorship and posits that many censorship behaviors and practices such as challenging books are intimately tied to the how one understands the practice of reading and its effects on character development and behavior It discusses reading as a social practice that has changed over time and encompasses different physical modalities and interpretive strategies In order to understand why people challenge books it presents a model of how the practice of reading is understood by challengers including what it means to read a text and especially how one constructs the idea of appropriate reading materials The book is based on three different kinds sources The first consists of documents including requests for reconsideration and letters obtained via Freedom of Information Act requests to governing bodies produced in the course of challenge cases Recordings of book challenge public hearings constitute the second source of data Finally the third source of data is interviews with challengers themselves The book offers a model of the reading practices of challengers It demonstrates that challengers are particularly influenced by what might be called a literal common sense orientation to text wherein there is little room for polysemic interpretation multiple meanings for text That is the meaning of texts is always clear and there is only one avenue for interpretation This common sense interpretive strategy is coupled with what Cathy Davidson calls undisciplined imagination wherein the reader is unable to maintain distance between the events in a text and his or her own response These reading practices broaden our understanding of why people attempt to censor books in public institutions **Reel Conversations** Alan B. Teasley,Ann Wilder,1997 In Reel Conversations Alan Teasley and Ann Wilder discuss and demonstrate the powerful role film can play in the language arts classroom both as a subject in itself and as a key dimension of language study *Children's Literature* Diana Mitchell,Pamela Waterbury,Rose Casement,2003 Children s Literature An Invitation to the World is written and organized in a manner that engages the readers and that will instill confidence in teachers when selecting and using literature in their teaching Readers are asked to take a world view of literature what it is how to recognize one s own how to recognize an author s and encouraged to see children s literature through a lens that includes people not like themselves The book tackles tough issues such as gender and racial bias and how they can be insidiously promoted in literature No other book on the market engages readers more

than this one Rather than just presenting topics the book asks What can we learn from them In addition the first person narrative involves readers in the discussion rather than simply presenting content to them Elementary and middle school teachers curriculum developers and anyone interested in children s literature *The Horn Book Magazine* ,1991 On the Shoulders of Giants Steven T. Bickmore,Shanetia P. Clark,2019-12-30 This first book in a three volume series celebrates and examines the work of four African American authors of young adult literature They are Virginia Hamilton Julius Lester Walter Dean Myers and Mildred D Taylor they serve as the foundation of young adult literature and provide robust stories that center and illuminate African American youth In addition this volume also examines the role of the Coretta Scott King Award in promoting access and visibility to authors and illustrators who shine a spotlight on African American youth and society The chapter authors librarians and established and emerging scholars in the field of young adult literature survey the work of Hamilton Lester Myers or Taylor their accolades and how audiences initially responded to their work Each chapter highlights a single work and discusses how it might be taught providing pre during and post reading activities or in some cases individual small group or whole class activities This volume is a resource for classroom teachers teacher educators reading specialists librarians and other educators who study research and read young adult literature This first volume supplements studies in the foundations of African American authors of young adult literature and explorations of critical works by these authors Children's Literature in the Reading Program Bernice E. Cullinan,1987 Grade level 1 2 3 5 6 p e i *More Than a Game* Chris Crowe,2004 Contains a bibliography of books for young adults that deal with sports and includes over 3 000 titles **Life Is Tough** Rachelle Lasky Bilz,2004-07-27 This book provides librarians educators and parents with the information they need to recognize the different kinds of young adult fiction available for boys These books can then be suggested to young men as aids in navigating adolescence pleasure or free reading assignment reading and tools to improve literacy The annotated bibliographies are helpful to young adults looking for a good read Cullinan and Galda's Literature and the Child Lee Galda,Bernice E.
