**Experiencing the Presence of God** Timothy Kong,2014-02-03 What does it mean to have God's Presence upon our lives

In the Christian faith there are so many people who have not experienced the proper teaching regarding God's powerful presence in their lives. This workbook is meant to help you take you into a deeper study on how you can apply God's Presence in your life.

*Beyond the Door* Rhonda Ambrose, 2015-02-24 There is a vast difference between knowing about God and actually knowing Him. So often we stop short of the very thing that completes us which is a personal revelation and acceptance of God's unconditional love. Go beyond what you have heard or thought about God and step into living every day intimately connected to the ultimate Father. Experience firsthand God's love and presence. Hear Him speak to you. Enjoy the freedom of forgiveness and living without offense. Receive healing from pain and wounds. Allow the Holy Spirit to become your best friend, comforter and guide. Discover your true identity. Live in the boldness of being a child of God. Become a nexus like Jesus and broker the kingdom of heaven on earth. Everything you truly need and desire is wrapped up in the gift of knowing God.

*One Thing* Seung-woo Byun, 2020-10-05 We were told if we pray we can be transformed. If we seek God's face we can be transformed. If we reside in the Lord's glory we can be transformed. We believed those words and we desired God. Sought after Him and pursued Him but why hasn't it worked? The Bible clearly says we all beholding the glory of the Lord are being transformed into the same image from one degree of glory to another but why haven't we seen this effect? Why is it that we can only suppress the lust of the flesh, the lust of the eyes, the boastful pride of life but ultimately are not able to overcome them? Whatever must we do to become overcomers? Is there even a way? If so then how? I have heard many sincere believers fall into despair. Moaning prayer does not work or seeking God does not work. Then why is it that only some people who have sought God's face and spent time in His presence have been changed but others who likewise took the same actions have not been changed? And what kind of response do we give to these people? I want to share with you the revelation that the Lord gave to me regarding this topic.

*Dwelling in the Land* Jeanette Howard, 2015-10-15 Some gay Christians have sought healing. Others have turned away from a conservative interpretation of the biblical texts. Others have remained celibate and invested their lives in Christian service. All have found that their sexual orientation has strongly influenced who they perceive themselves to be and how others perceive them. Jeanette believes that to identify herself as gay does not do justice to what God has been doing in her life. As a Christian you can be identified by the fact that you belong to Christ. Allowing God to dismantle your false identity permits you to live out of your authentic self. As you grow in Christ you are able to perceive true goodness and health. You rid yourself of old habits of thinking. You learn to recognise what is holding others back and discover new areas of ministry. You do not have to accept the labels that the world and the church attach to you.

Jeanette's book is in four parts: Identity, Surrender, Abiding and Fruitfulness.

Rothman,2023-05-18 Joel M Rothman considers the significance of cosmology in biblical and extra biblical texts and the role of the cosmic journey in many apocalyptic narratives He posits that Revelation s narrative likewise takes the hearer on a virtual journey through a cosmic story space of great theological significance While scholarship commonly assumes a three tiered cosmos in Revelation Rothman argues that Revelation s narrative operates in a four tiered cosmos with the hyper heaven sitting above the sky heaven earth and abyssal depths a cosmic story space that is recreated in the imagination of the hearers Beginning with a methodology of visual narrative reading Rothman then discusses the assumptions and existing conceptions regarding heaven and earth He stresses that Revelation does not exhibit tension in its portrayal of heaven between heaven as a site of conflict and heaven as the realm in which God truly reigns but rather shows readers a sky heaven characterised by archetypal conflict between powerful sky beings and a hyper heaven defined by full recognition of the Throne In journeying through the sky structure and God space and by analysing the four cosmic layers in operation the distinct nature of the two sky spaces cosmic change and the ideological import of the cosmic structure Rothman demonstrates that the existence of the hyper heaven in contradistinction with the limited lived cosmos of earth and sky heaven is a present guarantee of the final cosmic transformation that creates a new space for human life exclusive of imperial draconian elements      **The Book of Revelation Made Clear** Douglas Connelly,2018-01-30 Gain an in depth understanding of a book that has confused millions Getting a glimpse into the future is always intriguing especially when that glimpse comes from God s Word But let s face it the book of Revelation has some pretty weird stuff in it seven headed beasts locusts with gold crowns a city coming down from the sky What does it all mean and how does it help you in your Christian faith This lighthearted yet accurate guide to the last book of the Bible will help you overcome the confusion Engaging and user friendly The Book of Revelation Made Clear helps you Understand the message of this often misunderstood book chapter by chapter Discover what Revelation says about how end time events will unfold Make sense of all the symbolism See how Revelation relates to other parts of the Bible Learn how others interpret controversial parts Worship God with a new vision of his glory and ultimate triumph and of what that means for you      **The Book of Revelation for Blockheads**
